After 10 miles = \$150 plus \$2.50 per mile 11 miles and over

Cross Over Claims For Emergency and Non-Emergency Ambulance Services

Medicaid reimburses providers for the coinsurance and deductible amounts on Medicare claims for Medicaid recipients who are dually eligible for Medicare and Medicaid. However, the amount paid by Medicaid in combination with the Medicare payment will not exceed the amount Medicaid would pay for the service if it were billed solely to Medicaid. DMAS is responsible for calculation and payment for all Fee For Service Medicaid/Medicare Crossover payments for Emergency and Non-Emergency Transportation Services. State Plan DMAS rates can be found at: http://www.dmas.virginia.gov/pr-fee_files.htm

If provider's Medicare cross over claims are not forwarded to DMAS electronically then follow billing instructions filing DMAS form 30r. DMAS form 30r billing instructions can be found in the DMAS Transportation Manual, Chapter 5, Titled "Billing Instructions". <http://websrvr.dmas.virginia.gov/manuals/TRA/tratoc.htm> If a primary carrier payment amount applies, this payment will be subtracted from the calculated DMAS payment. DMAS payment in combination with primary carrier payment will not exceed DMAS State Plan rates.
