

FAMIS COPAYS

FOR COMMUNITY MENTAL HEALTH REHABILITATION SERVICES

Effective January 1, 2019

Managed care organizations (MCOs) contracted with DMAS for both the Medallion 4.0 and CCC Plus managed care programs will no longer require the collection of copays for Community Mental Health Rehabilitation Services (CMHRS) rendered to FAMIS members. Providers of CMHRS services will be reimbursed at the full Medicaid CMHRS rate as indicated in the chart below.

DMAS appreciates the feedback from the CMHRS provider community, however DMAS will not require the MCOs to reimburse providers for copays on CMHRS services rendered for FAMIS members prior to January 1, 2019.
