

BMAS Orientation Video

April 28, 2021

The screenshot shows a Zoom meeting interface. At the top, five video thumbnails are visible with names below them: Michael Cook, Brooke Barlow, Karen Kimsey, Craig Markva, and Greg Peters. The main content area displays a presentation slide with a blue header and a white body. The slide features a collage of five photos: a young child with a red jacket, a man in a wheelchair with arms raised, a person in a brown sweater, a child on a swing, and an older man with glasses. To the right of the photos, the text reads: **BMAS ORIENTATION**, **KAREN KIMSEY**, *DIRECTOR*, *DEPARTMENT OF MEDICAL ASSISTANCE SERVICES*, and **APRIL 28, 2021**. The DMAS logo is in the bottom right corner of the slide, and a '+7' icon is in the bottom right corner of the Zoom window.
