

BIS VA Traumatic Brain Injury Project Team Meeting

February 8, 2023

Attendees

Brain Injury Services (BIS) Team:

Key Takeaways

- Legislative mandates are driving this work and timelines
- Outline of new structure and rationale for the change is due to amount of work and tight timeframe
- Workgroups and focus groups will be created to ensure input from stakeholders is included in overall process.
- All current and interested stakeholders will have an opportunity to participate in a workgroup or focus group.
- Output from workgroups and focus groups will be brought back to larger group for input and refinement
- The plan is to build off the work done to date (e.g., surveys, etc.)
- Guidehouse will be facilitating the workgroups and focus groups
- DMAS will record meetings and post meeting materials to its website

Issues/Open Questions/ Decisions

- Request was made to post information regarding non-medical transportation services on DMAS website
- One participant wanted to be an observer in some meetings. DMAS indicated that wasn't the meeting format being pursued at this time.

Action Items

VA DMAS

- DMAS posted meeting materials (slides, etc.) on DMAS website and has emailed the link to meeting participants as of 2/9/2023.
