

Update to CCC Stakeholders: August 22, 2014

1. Medicare-Medicaid Plan (MMP) participation has been updated for the following localities:
 - a. Roanoke Region
 - i. City of Radford is now open to automatic assignment. Eligible beneficiaries in this locality will receive their automatic assignment letters by September 1, 2014 and their automatic coverage will begin November 1, 2014.
 - ii. Henry County and City of Martinsville are now available for eligible beneficiaries to opt-in to CCC.
2. The following localities have **1 MMP approved**: Eligible beneficiaries in these localities can opt-in to CCC but will not be automatically assigned while there is only one plan available. Automatic assignment will occur once two plans become available. Stakeholders will be notified when this occurs.
 - a. Western/Charlottesville Region
 - i. Cities of Harrisonburg and Staunton
 - b. Northern Virginia Region
 - i. City of Alexandria
 - ii. Arlington
 - iii. City and County of Fairfax
 - iv. City of Falls Church
 - v. Fauquier
 - vi. Loudoun
 - vii. Manassas Park City

****Please Note:** In Northern Virginia-Culpeper, Prince William and City of Manassas have **at least two** MMPs available and will move forward with automatic assignment as scheduled for November 1, 2014.

Please email the CCC Inbox CCC@dmas.virginia.gov if you have any questions about this update.
