## ***Townhall Meeting on CCC***

If you provide health care services for those who receive both Medicare and Medicaid, join us for this **FREE** event to learn more about Commonwealth Coordinated Care (CCC). CCC is a new program that blends Medicare and Medicaid benefits and services for beneficiaries who receive both. All Provider types are welcome. Training will be presented by representatives from the Department of Medical Assistance Services (DMAS) and all three of the CCC Medicare-Medicaid Plans (MMPs). Training will be in the **Auditorium** of the **VCU Community Memorial Hospital**. Parking is available in front of the hospital and the education wing has a separate entrance clearly marked.
