

**Choose an MMP that:**

- Serves your city or county
- Has the doctors, extra benefits, or special health care services you want

**Ask yourself these questions:**

- Do my doctors and other healthcare providers belong to one of these plans?
- Does the hospital I use work with one of these plans?
- Does one of the MMPs have any extra benefits that I want?
- Can one of the MMPs help with any special health care needs I may have?
