

DMAS is switching service providers for its digital RightFAX service from Cavalier to Verizon. Unfortunately, this change in service requires DMAS to change all current RightFAX numbers.

PLEASE NOTE: This change does NOT affect “traditional” (fax machine) FAX numbers used by DMAS.

Effective **September 15, 2016**, DMAS will be changing the current fax numbers noted in the left column below (Cavalier) to new numbers, noted in the right column (Verizon).

BE ADVISED: If you use any of the current RightFAX numbers noted below to send faxes to DMAS, you will need to *change* the existing RightFAX numbers currently programmed into your fax machine or computer to the corresponding new number.
