

# Addiction and Recovery Treatment Services (ARTS)

*Expansion of Substance Use Disorder (SUD) Services for Medicaid and FAMIS Members Effective April 1, 2017*

## ARTS 101 Informational Sessions for Providers

Attend to learn about Virginia Medicaid's Addiction and Recovery Treatment Services (ARTS) new benefit program transformation!

Virginia Medicaid leaders will provide updates on:

- **Increasing rates up to 400%** for many of the substance use services. Some service rates are higher than commercial plans!
- New **provider requirements** and new payment models.
- Upcoming **provider training opportunities** on treating patients with addiction, Medication Assisted Treatment for opioid addiction, and American Society of Addiction Medicine criteria for the new services.
