

Governor's Access Plan (GAP) - Helping You Be Healthy

What is Recovery Navigation?

- A service for GAP members that is provided by people in recovery.
- Focuses on whole health and what is important to you – mentally, emotionally, physically and spiritually.
- Offers hope.
- Helps you get the most out of your care.

Who is a Recovery Navigator?

- A person who has something in common with you. They have needed help to get better and other people helped them.
- A person trained to assist you by focusing on what is important to you.
- A person who can talk to you on the telephone. If you live close to them, they can meet with you in person.
- A person who can help you meet other people who are working toward similar wellness goals.

How do I get Recovery Navigation?

- Call the Magellan GAP Member line at 1-800-424-4279.
- Ask to speak to a GAP Care Manager and tell them that you are interested in Recovery Navigation.
- The phone number is available 24 hours, 7 day per week and is toll free.

What is the warm line?

- It is an evening and weekend support line operated by people in recovery.
- You can call if you just want someone to listen to you.
- You can get help to find resources that help you with your wellness.
- The call is toll-free, and is only for GAP members.
- The warm line is not a crisis line or "hotline."

The phone number for the GAP warm line is:

1-800-424-4520
