Dear Medicaid Provider,

Over the past year, the Department of Medical Assistance Services' (DMAS) staff has worked diligently to fulfill the first tenant of Governor McAuliffe's [A Healthy Virginia](#) plan. DMAS has implemented the Governor's Access Plan (GAP) for the Seriously Mentally Ill (SMI) Demonstration since January 12, 2016. To date, we have insured over 6,000 Virginians, giving them access to needed medical and behavioral health providers to assist them with becoming healthier.

This spring DMAS will be hosting a GAP Listening Tour. You are invited to register to attend the event in your area, where there will be an update on the GAP demonstration and information on eligibility application and re-enrollment/renewal processes through Cover Virginia. We also want to hear from you! There also will be a question and answer session where you will be able to share your thoughts with us.

Online Medicaid training registration can be accessed at <http://dmasva.dmas.virginia.gov/>. On the right hand menu click the Upcoming Training Events link. Open the **GAP Listening Tour** training letter and select the link given that corresponds with the session you wish to attend. The links will open the Adobe Connect registration page to the training scheduled for that day and time. Each participant's name and valid email address will be required for registration. Once registration is approved, you will receive a confirmation email with all of the training details. The number of participants allowed in each session is limited. If you do not receive the confirmation email or have general questions, please call (804) 371-6327 or 225-4578 or email us at [providertrainingregistration@dmas.virginia.gov](mailto:providertrainingregistration@dmas.virginia.gov).

To receive future notifications from DMAS via email, please ensure that we have valid email addresses in our records. Registered providers may utilize the "Provider Maintenance" link on the DMAS web portal to make changes. Additionally, Provider Enrollment Services may be contacted for assistance with updating email addresses at (888) 829-5373.
