

To the Supplier Community:

Many thanks for your continued interest in the upcoming MMIS replacement procurements with a Medicaid Enterprise System (MES). This is an update to the Virginia MES timeline posted on **January 14, 2016**.

The January 2016 Timeline gave targeted publishing dates of February, March and April 2016. The RFPs are currently in the process of reviews by the state agency "VITA" and the Office of the Attorney General for approval with compliance to Virginia Information Technology procurement practices. Also, the RFPs drafts are being reviewed by the Centers for Medicare and Medicaid (CMS) Services for alignment with and approval of the Medicaid Information Technology Architecture (MITA) Version 3.0 compliance.
