

Instructions for File Transfer Protocol Virginia Department of Medical Assistance Services

These instructions provide information on implementing the File Transfer Protocol (FTP) for downloading Medicaid/FAMIS Eligibility Reports. These quarterly reports (generated as of September 1, December 1, March 1, and June 1) are used to determine the percentage of each school division's IEP special education students that are Medicaid and FAMIS eligible for direct medical services cost reporting. The reports are also used to determine the percentage of the entire student body that is Medicaid eligible for administrative claiming. The objective of the FTP process is to make the reports easier to produce, easier to access, and more secure.

The FTP process places the information on a secured website provided by the Department of Medical Assistance Services (DMAS) fiscal agent, Xerox (formerly called ACS or Affiliated Computer Services). After registering and obtaining necessary access credentials, the Medicaid/FAMIS eligibility lists will be available at the convenience of the school district's registered user.

For school divisions that are already enrolled in the FTP process, the login and password information remains the same. The school divisions may request password information or changes by contacting Xerox Helpline at 1-866-352-0496. .

If your school division **has not enrolled** in the FTP process, the instructions and enrollment forms can be found in the Service Center User Manual at <https://www.virginiamedicaid.dmas.virginia.gov>. Once on this website, click on Provider Services and Provider Manuals to access the Service Center User Manual. The manual explains the system requirements. If any updates are needed to your system or technical adjustments are needed, please seek the help of Information Management or Technical Support staff from your school division and also share the Service Center User Manual with them. The adjustments, if necessary, should not be extensive.

Please complete the Service Center Agreement in Appendix B on page 17 of the Service Center User Manual. Appendix A contains the detailed instructions for completing the agreement. If you have any questions on these documents please call the Xerox Helpline at 1-866-352-0496. After you submit the Service Center Agreement, please wait for Xerox to reply to you. The next step will be to perform a test with the school division to ensure files are correctly sent and downloaded. Please review pages 10 to 12 of the Service Center User Manual to see how the file transfer is tested. School divisions must submit FTP approval to DMAS via e-mail to Chandra Shrestha at Chandra.Shrestha@dmas.virginia.gov when testing is completed.

In order to receive the FTP version of the report, school divisions must have completed this process prior to the production of the next report on September 1, December 1, March 1, or June 1. DMAS expects all school divisions to use the FTP process to receive the eligibility reports. DMAS will provide manual reports by secure e-mail only in exceptional circumstances.

If you need additional assistance, please feel free to contact Chandra Shrestha, DMAS, at 804-371-2446, or e-mail Chandra.Shrestha@dmas.virginia.gov or Amy Edwards, DOE, at 804-692-0150, or e-mail Amy.Edwards@doe.virginia.gov.

List of Schools Enrolled in FTP Process

S005	Accomack County Public Schools	S375	Louisa County Public Schools
S010	Albemarle County Public Schools	S390	Madison County Public Schools
S015	Alexandria City Public Schools	S395	Manassas City Public Schools
