## NOTICE FOR RECIPIENTS IN CULPEPPER REGARDING THE WITHDRAWAL OF VIRGINIA PREMIER ON OCTOBER 1, 2009

This notice affects you if you live in Culpeper and currently receive your Medicaid benefits through Virginia Premier. Effective October 1, 2009 Virginia Premier Health Plan will no longer be available as a health plan option in Culpeper. This means only one health plan will operate in your locality. In following with guidelines from the Centers for Medicare and Medicaid Services (CMS), Culpeper is designated as rural and only one health plan is required.

Effective on and after October 1, 2009 your coverage will be provided through AMERIGROUP Community Care. You will receive a welcome packet from AMERIGROUP near the end of September with important membership materials, including your AMERIGROUP health plan ID card, member handbook and provider directory.

When you receive your AMERIGROUP welcome packet, check the provider directory to see if your provider(s) participate with AMERIGROUP. You may also check with your providers directly. You can also access the AMERIGROUP provider directory on line at:

<https://www.myamerigroup.com/English/Medicaid/VA/Pages/Home.aspx> or by calling AMERIGROUP Member Services at 1-800-600-4441 (TTY 1-800-855-2880). AMERIGROUP is working to enroll primary care providers who are not already in the AMERIGROUP network. If your PCP is not currently enrolled in AMERIGROUP, they may be enrolled at a later date.

We are working to make this a smooth transition for you from Virginia Premier to AMERIGROUP. If you have concerns about these changes you may contact the Managed Care HelpLine.
