

MEDICAID MEMBER ADVISORY COMMITTEE SURVEY

The Department of Medical Assistance Services (DMAS) has established the Medicaid Member Advisory Committee (MAC). The purpose of the MAC is to ensure that the Medicaid member voice is included in the DMAS decision-making process and to inform DMAS change management strategies. Made up entirely of Medicaid members or their authorized representatives, the MAC will give voice to the members' Medicaid experience. DMAS is currently recruiting members for 2021 and will make membership selections by December 2020 or early 2021. You can learn more about the MAC at: <http://dmas.virginia.gov/#/memberAdvisory>.

If you receive Medicaid, or are the authorized representative for a person who receives Medicaid, and are interested in being considered for membership on the 2021 MAC, please complete and return the following survey. You can return the form via email (MAC@dmas.virginia.gov) or by mail at: DMAS, Attn: Walter Burton, 600 East Broad Street – 13th Floor, Richmond, Va. 23219. If submitting by email, you must download and save the form.

Filling out this survey **will not change** your Medicaid status or services. If there is a question you prefer not to answer, you can skip it.
