**Emergency and Non-Emergency Ambulance Transports for Managed Care Organizations**
Many Medicaid members are enrolled with one of the Department's contracted Managed Care Organizations (MCO). In order to be reimbursed for services provided to an MCO enrolled individual, providers must follow their respective contract with the MCO. The MCO may utilize different prior authorization, billing, and reimbursement guidelines than those described for Medicaid fee-for-service individuals. For more information, please contact the MCO directly. Additional information about the Medicaid MCO program can be found at:

Calculating Neonatal Ground Ambulance rates:

1. Neonatal Ambulance claims will be paid using the following calculation:
   a. Service CPT Code A0225 is paid at $132.00 for “1” unit
      Mileage CPT Code A0425 with “U1” modifier in block 24d is paid at $6.60 per mile.

   Example: Transport for 83 miles.
   
   Service “1” unit = $132.00  
   83 miles x $6.60 = $547.80  
   Total                      $679.80

2. DMAS pays a maximum of $1,320 (service rate plus 180 miles) per Neonatal Ambulance Claim.

Note: Neonatal Ambulance claims submitted with a date of service (DOS) November 1, 2009 and forward will not require attachments. However, all Neonatal Ambulance claims are subject to a post claim review and/or audit. DMAS will contact provider with a list of claims to be reviewed or audited. Upon request by DMAS, providers are required to submit supporting documentation to establish medical necessity for Neonatal transport.

Crossover Claims For Neonatal Ambulance Services

Medicaid reimburses providers for the coinsurance and deductible amounts on Medicare claims for Medicaid recipients who are dually eligible for Medicare and Medicaid. However, the amount paid by Medicaid in combination with the Medicare payment will not exceed the amount Medicaid would pay for the service if it were billed solely to Medicaid. DMAS is responsible
for calculation and payment for all Fee For Service Medicaid/Medicare Crossover payments for
Emergency Air Transportation Services. State Plan DMAS rates can be found at:
http://dmasva.dmas.virginia.gov/Content_pgs/trn-fee.aspx

If provider Medicare crossover claims are not forwarded to DMAS electronically then follow
billing instructions filing DMAS form 30r. DMAS form 30r billing instructions can be found in
the DMAS Transportation Manual, Chapter V, Titled “Billing Instructions”.
If a primary carrier payment amount applies, this payment will be subtracted from the calculated
DMAS payment. DMAS payment in combination with primary carrier payment will not exceed
DMAS State Plan rates.
