**Emergency and Non-Emergency Ambulance Transports for Managed Care Organizations**
Many Medicaid members are enrolled with one of the Department's contracted Managed Care Organizations (MCO). In order to be reimbursed for services provided to an MCO enrolled individual, providers must follow their respective contract with the MCO. The MCO may utilize different prior authorization, billing, and reimbursement guidelines than those described for Medicaid fee-for-service individuals. For more information, please contact the MCO directly. Additional information about the Medicaid MCO program can be found at:

**Calculating Emergency Ground Ambulance rates:**

1. Emergency Ground Ambulance Transport claims will be paid using State Plan rates.
2. Claims will be paid using the following methodology:
   a. Example: Emergency ALS Emergency Ground Ambulance Transport can be calculated adding the service CPT/HCPT code A0427 rate for service and $2.74 for each loaded mile.
   
   Example: Transport was 3 loaded miles
   
   Service “1” unit = $159.86
   
   3 loaded miles x $2.74 = $8.22
   
   Total payment = $168.08

**Note:** Claims beginning with dates of service November 1, 2009 and forward will no longer require Pre-hospital Patient Care Report (PPCR) be attached to submitted claims. However, all Emergency Ground Ambulance claims are subject to a post claim review and/or audit. DMAS will contact provider with a list of claims to be reviewed and/or audited. Upon request by DMAS, providers are required to submit supporting documentation to establish medical necessity for Emergency Ground Ambulance transport.

Crossover Claims For Emergency and Non-Emergency Ambulance Services
Medicaid reimburses providers for the coinsurance and deductible amounts on Medicare claims
for Medicaid recipients who are dually eligible for Medicare and Medicaid. However, the
amount paid by Medicaid in combination with the Medicare payment will not exceed the amount
Medicaid would pay for the service if it were billed solely to Medicaid. DMAS is responsible
for calculation and payment for all Fee For Service Medicaid/Medicare Crossover payments for
Emergency and Non-Emergency Transportation Services. State Plan DMAS rates can be found
at: http://dmasva.dmas.virginia.gov/Content_pgs/trn-fee.aspx

If provider Medicare crossover claims are not forwarded to DMAS electronically. Please follow
billing instructions filing DMAS form 30r. DMAS form 30r billing instructions can be found in
the DMAS Transportation Manual, Chapter V, Titled “Billing Instructions”.
https://www.virginiamedicaid.dmas.virginia.gov/wps/portal/ProviderManual If a primary carrier
payment amount applies, this payment will be subtracted from the calculated DMAS payment.
DMAS payment in combination with primary carrier payment will not exceed DMAS State Plan
rates.
