# MEDICAID MEMO

**TO:** All Medicaid Providers and Managed Care Organizations Participating in the Virginia Medical Assistance Program

**FROM:** Karen Kimsey, Director  
Department of Medical Assistance Services (DMAS)

**DATE:** 12/11/2020

**SUBJECT:** Coverage of COVID-19 Vaccine Administration

The purpose of this memorandum is to inform providers that DMAS fee-for-service (FFS) and all contracted managed care plans will cover two (2) new COVID-19 vaccine products and four (4) new COVID-19 vaccine administration codes for all full benefit Medicaid and FAMIS populations. Further contact information is included at the bottom of this document.

The codes below will be covered pending FDA approval of the associated vaccine with effective dates of service of December 10, 2020 and onwards.
