PREGNANT WOMEN PROVIDER TRAINING

Smiles For Children
2021
Medicaid Pregnant Women Over 21 Enrollee Eligibility

- Pregnant women in Medicaid and FAMIS MOMS who are 21 years of age and older are eligible to receive appropriate dental benefits (excluding Orthodontia) through Virginia’s dental program, *Smiles For Children (SFC)*

- DentaQuest uses the 12-digit Medicaid ID number as the enrollee ID Number for the Pregnant Women Benefit

- Dental benefits for pregnant women who are 21 years of age and older will be discontinued at the end of the month following their 60th day postpartum
Benefits for Pregnant Women Enrollees

- Coverage for pregnant women will include the following:
  - Diagnostic, Preventive, Restorative, Endodontics, Periodontics, Prosthodontics- both removable and fixed (crowns, bridges, partials and dentures), Oral surgery (extractions and other oral surgeries) and Adjunctive general services (all covered services that do not fall into specific dental categories)
  - Covered services are listed in Exhibit C of the ORM.
Members Active with Pregnant Women Benefit

- The member will show active or ineligible on the member eligibility page, click on the member list for the member
- For members showing active, the member detail page will list member name, DOB, and Plan (VA SFC Pregnant Women)

Members may be enrolled in the VA SFC Over 21 plan or VA SFC Pregnant Women plan. If a member is enrolled in the VA SFC over 21 plan and is pregnant she is entitled to the enhanced pregnancy benefit.
Documentation Required for Reimbursement - Pregnant Women Over 21 Claims

- Prepayment review will be conducted on all claims and appropriate documentation must include:
  - Narrative indicating the member is pregnant with the estimated date of delivery (must be noted in box 35 of ADA claim form) or notation indicating the member was pregnant and delivered on xx/xx/xxxx
  - Narrative demonstrating medical necessity for those services where additional documentation is required for review (i.e. diagnostic x-rays, perio charting)

- Dental benefits for pregnant women who are 21 years of age and older will be discontinued at the end of the month following their 60th day postpartum
  - Example: if the member delivered on 6/15/2016, her eligibility for the pregnant women dental benefit will terminate on 08/31/2016
Pregnant Women Over 21-ADA Claim
Box 35 Examples

*It is important to notate in the member chart that she is pregnant and her estimated due date*
