- Members get breast cancer screenings
- Members get the right medicines and services

Behavioral Health

- Members with behavioral health conditions get the follow-up care they need

Medication Management

- Members get the medicines they need
- Members on certain medicines get the tests they need

Choosing a Medicaid Managed Care Organization

Your health care is important, and choosing the CCC Plus MCO that best meets your needs is also important. Here are some questions to ask yourself before you pick an CCC Plus MCO:

- How well did each CCC Plus MCO perform in each performance area in this tool?
- Which CCC Plus MCO has all or most of the doctors, providers, and hospitals that my family member visits?
- Which CCC Plus MCO has doctors with office hours and locations that are convenient for my family member?
- Which CCC Plus MCO offers extra services that I want to use?

You may have other questions or concerns that are important to you. You can contact the CCC Plus MCOs using the information below. About This Tool

The 2020–2021 Virginia CCC Plus MCO Consumer Decision Support Tool utilizes results from Healthcare Effectiveness Data and Information Set (HEDIS®) and Consumer Assessment of Healthcare Providers and Systems (CAHPS®). Calendar year 2019 data were used to derive 2020 reporting year rates. This report was compiled by Health Services Advisory Group, Inc. (HSAG) in collaboration with the Department of Medical Assistance Services (DMAS).

About the Accreditation Levels

Accreditation levels as of November 2020 are based on compliance with the National Committee for Quality Assurance's (NCQA's) rigorous requirements and the MCOs performance on HEDIS® measures. The highest level of accreditation an MCO can receive is Accredited, followed by Provisional. Interim accreditation is for new MCOs. For more information regarding accreditation levels as of November 2020, visit: www.ncqa.org/wp-content/uploads/2020/09/20200915_HPA_Advertising_and_Marketing_Guidelines.pdf.
