

## Preferred Office-Based Addiction Treatment (OBAT) Providers by Managed Care Regions

Last updated March 28, 2022 | 196 Sites

Preferred Office-Based Addiction Treatment Programs, also called Preferred OBATs, are a type of outpatient addiction treatment designed for people with opioid use disorder (OUD). Preferred OBATs provide high quality Medication-Assisted Treatment (MAT), for treating people with OUD as well as other primary substance use disorders (SUD).

This list includes Medicaid enrolled Preferred OBATs along with their contact information.
