

COVID-19 Public Health Emergency Flexibilities, Updated April 19, 2022

The active items in this chart are authorized by the federal public health emergency (PHE) and will remain in place until the end of the federal PHE. A nursing facility flexibility is ending on June 6, 2022 as noted in red in the status column.

Flexibility	Status
Suspend all co-payments for Medicaid and FAMIS members.	Active
Telehealth policies – as described in prior Medicaid Memoranda issued on March 19, 2020, May 15, 2020, and September 30, 2020 – including waiver of penalties for HIPAA non-compliance and other privacy requirements.	Active
Electronic signatures will be accepted for visits that are conducted through telehealth.	Active
Waivers	
Members who receive less than one service per month will not be discharged from a HCBS waiver.	Active
Any member with a significant change requesting an increase in support due to changes in medical condition and/or changes in natural supports must have an in-person visit.	Active
Allow legally responsible individuals (parents of children under age 18 and spouses) to provide personal care/personal assistance services for reimbursement.	Active
Personal care, respite, and companion aides hired by an agency shall be permitted to provide services prior to receiving the standard 40-hour training.	Active
Residential providers are permitted to not comply with the HCBS settings requirement at 42 CFR 441.301(c)(4)(vi)(D) that individuals are able to have visitors of their choosing at any time.	Active
Allow an extension for reassessments and reevaluations for up to one year past the due date.	Active
Add an electronic method of signing off on required documents such as the person-centered service plan.	Active
Allow beneficiaries to receive monthly monitoring when services are furnished on a less than monthly basis.	Active
The State is responding to the COVID-19 pandemic personnel crisis by authorizing case management entities to provide direct services. Therefore, the case management entity qualifies under 42 CFR 441.301(c)(1)(vi) as the only willing and qualified entity: Current safeguards authorized in the approved waiver will apply to these entities.	Active
Reduce quality sampling requirements for waiver services due to limited provider capacity to provide files for desk audit.	Active
Allow Therapeutic Consultation activities that do not require direct intervention by the behaviorist to be conducted through telephonic/video-	Active

conferencing methods.	
The timeframes for the submission of the CMS 372 and the evidentiary package(s) will be extended as needed pursuant to the emergency. In addition, the state may suspend the collection of data for performance measures other than those identified for the Health and Welfare assurance and notes that as a result the data will be unavailable for this time frame in ensuing reports due to the circumstances of the pandemic.	Active
Addiction & Recovery Treatment Services (ARTS)	
Opioid treatment programs may administer medication as take home dosages, up to a 28-day supply.	Active
Allowing a member's home to serve as the originating site for prescription of buprenorphine.	Active
Behavioral Health Services	
Therapeutic Day Treatment (TDT), Intensive In-Home Services (IIH), Mental Health Skill Building (MHSS) and Psychosocial Rehabilitation (PSR). <ul style="list-style-type: none"> The service authorization request for new services will be used to track which members are continuing to receive these services, assess the appropriateness of the services being delivered via different modes of treatment, and to determine if this is an appropriate service to meet the member's needs. 	Active
Outpatient Psychiatric Services, Therapeutic Day Treatment (TDT), Intensive In-Home Services (IIH), Mental Health Skill Building (MHSS) and Psychosocial Rehabilitation (PSR). <ul style="list-style-type: none"> Face-to-face service requirements will continue to be waived, but documentation shall justify the rationale for the service through a different model of care until otherwise notified. The goals, objectives, and strategies of the plan of care or ISP shall be updated to reflect any change or changes in the individual's progress and treatment needs, including changes impacting the individual related to COVID-19, as well as any newly identified problem. Documentation of this review shall be added to the individual's medical record as evidenced by the dated signatures of the appropriate professional for the service being provided and the individual. 	Active
For youth participating in both TDT and IIH, TDT should not be used in person in the home as this would be a duplication of services. TDT may be provided through telehealth to youth receiving IIH (in person or via telehealth) as long as services are coordinated to avoid duplication and ensure efficacy of the treatment provided.	Active

<p>During the PHE, TDT, IIH, MHSS and PSR providers may bill for one unit on days when a billable service is provided, even if time spent in billable activities does not reach the time requirements to bill a service unit. This allowance only applies to the first service unit and does not apply to additional time spent in billable activities after the time requirements for the first service unit is reached. Providers shall bill for a maximum of one unit per day if any of the following apply:</p> <ul style="list-style-type: none"> • The provider is only providing services through telephonic communications. If only providing services through telephonic communications, the provider shall bill a maximum of one unit per member per day, regardless of the amount of time of the phone call(s). • The provider is delivering services through telephonic communications, telehealth or face-to-face and does not reach a full unit of time spent in billable activities. <p>The provider is delivering services through any combination of telephonic communications, telehealth and in-person services and does not reach a full unit of time spent in billable activities.</p>	Active
<p>Applied Behavior Analysis –</p> <ul style="list-style-type: none"> • Face-to-face service requirements for family adaptive behavior treatment (97156, 97157) will continue to be waived, but documentation shall justify the rationale for the service through a different model of care until otherwise notified. The goals, objectives, and strategies of the ISP shall be updated to reflect any change or changes in the individual’s progress and treatment needs, including changes impacting the individual related to COVID-19, as well as any newly identified problem. Documentation of this review shall be added to the individual’s medical record as evidenced by the dated signatures of the LMHP, LMHP-R, LMHP-RP, LMHP-S, LBA, or LABA. • In-person assessment requirements continue to be waived and may be conducted through telemedicine but documentation shall justify the rationale for the service through a different model of care until otherwise notified. The definition of telemedicine can be found in the telehealth supplement to the Mental Health Services Manual. 	Active
<p>Applied Behavior Analysis One service unit equals 15 minutes for this level of care. ABA service providers do not have a one unit max limit per day for audio-only communications for CPT codes 97156 and 97157.</p>	Active
<p>Independent Assessment Certification and Coordination Team (IACCT) Assessments IACCT Assessments may occur via telehealth or telephone communication.</p>	Active

Psychiatric Inpatient, Psychiatric Residential Treatment Facility (PRTF) and Therapeutic Group Home (TGH) Levels of Care <ul style="list-style-type: none"> • The requirement for service authorization remains in place. • Therapy, assessments, case management, team meetings, and treatment planning may occur via telehealth. The plan of care should be updated to include any change in service delivery as well as any change in goals, objectives, and strategies, including impacts on the individual due to COVID-19. 	Active
Nursing Facilities	
Waive the requirements at 42 CFR 483.35(d) (with the exception of 42 CFR 483.35(d)(1)(i)), which require that a SNF and NF may not employ anyone for longer than four months unless they met the training and certification requirements under § 483.35(d).	Ending on June 6, 2022
Pharmacy	
Drugs dispensed for 90 days will be subject to a 75% refill “too-soon” edit. Patients will only be able to get a subsequent 90 day supply of drugs after 75% of the prescription has been used (approximately day 68).	Active
The agency makes exceptions to their published Preferred Drug List if drug shortages occur.	Active
Suspend all drug co-payments for Medicaid and FAMIS members	Active
Program Integrity	
DMAS will not pursue cases against or terminate Medicaid members who had eligibility errors.	Active
Appeals	
For all appeals filed during the state of emergency, Medicaid members will automatically keep their coverage.	Active
There will be no financial recovery for continued coverage for appeals filed during the period the emergency.	Active
Delay scheduling of fair hearings and issuing fair hearing decisions due to an emergency beyond the state’s control.	Active
The state may offer to continue benefits to individuals who are requesting a fair hearing if the request comes later than the date of the action under 42 CFR 431.230.	Active
Allows applicants and beneficiaries to have more than 90 days to request a fair hearing for eligibility or fee-for-service appeals.	Active
Modification of the timeframe under 42 C.F.R. §438.408(f)(2) for enrollees to exercise their appeal rights to allow more than 120 days to request a fair hearing when the initial 120th day deadline for an enrollee occurred during the period of this section 1135 waiver.	Active

Member Eligibility and Enrollment

Continuity of coverage will remain in place for Medicaid members through the end of the federal Public Health Emergency (PHE) and Maintenance of Effort (MOE). No closures or reduction of coverage will be taken on Medicaid enrollments through the end of the federally declared emergency unless a death is reported, an enrollee moves from Virginia permanently, or an enrollee requests closure of coverage. Individuals who become incarcerated must have their coverage reduced to cover inpatient services only.

Federal continuity of coverage requirements do not apply to lawfully residing non-citizen pregnant women or children under age 19. Additionally, the continuity of coverage requirements do not apply for coverage in the Family Access to Medical Insurance Security (FAMIS) or FAMIS MOMS programs. Individuals who no longer meet eligibility requirements in the FAMIS or FAMIS MOMS programs will be re-determined and enrolled in other coverage or, if no longer eligible, referred to the Federal Marketplace for coverage options.

LTSS providers, please note that eligibility workers are unable to process increases in patient pay at this time due to the PHE and MOE.
