Re: Virginia State Plan Amendment 22-0012

Dear Ms. Kimsey:

The Centers for Medicare & Medicaid Services (CMS) has reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 22-0012. This amendment proposes to add coverage for Virginia's Alternative Benefit Plan Medicaid Expansion, Routine Patient Cost in Qualifying Clinical Trials.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing Public Law 111-148 Patient Protection and Affordable Care Act. This letter is to inform you that Virginia Medicaid SPA 22-0012 was approved on April 21, 2022, with an effective date of January 1, 2022.

If you have any questions, please contact Margaret Kosherzenko at 215-861-4288 or via email at Margaret.Kosherzenko@cms.hhs.gov.

Sincerely,

James G. Scott, Director Division of Program Operations

cc: Emily McClellan

Voluntary Benefit Package Selection Assurances - Eligibility Group under Section 1902(a)(10)(A)(i)(VIII) of the Act

ABP2a

The state/territory has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state's approved Medicaid state plan that is not subject to 1937 requirements. Therefore the state/territory is deemed to have met the requirements for voluntary choice of benefit package for individuals exempt from mandatory participation in a section 1937 Alternative Benefit Plan.

Yes

Explain how the state has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state's approved Medicaid state plan that is not subject to 1937 requirements.

Virginia has fully aligned the benefits in the ABP with its approved Medicaid State Plan by using duplication, substitution and including remaining Medicaid State Plan services as other Section 1937 covered benefits while still meeting the requirements of all Essential Health Benefits.

Prescription Drug Coverage Assurances

The state/territory assures that it meets the minimum requirements for prescription drug coverage in section 1937 of the Act and implementing regulations at 42 CFR 440.347. Coverage is at least the greater of one drug in each United States Pharmacopeia (USP) category and class or the same number of prescription drugs in each category and class as the base benchmark.

The state/territory assures that procedures are in place to allow a beneficiary to request and gain access to clinically appropriate prescription drugs when not covered.

The state/territory assures that when it pays for outpatient prescription drugs covered under an Alternative Benefit Plan, it meets the requirements of section 1927 of the Act and implementing regulations at 42 CFR 440.345, except for those requirements that are directly contrary to amount, duration and scope of coverage permitted under section 1937 of the Act.

The state/territory assures that when conducting prior authorization of prescription drugs under an Alternative Benefit Plan, it complies with prior authorization program requirements in section 1927(d)(5) of the Act.

Other Benefit Assurances

The state/territory assures that substituted benefits are actuarially equivalent to the benefits they replaced from the base benchmark plan, and that the state/territory has actuarial certification for substituted benefits available for CMS inspection if requested by CMS.

The state/territory assures that individuals will have access to services in Rural Health Clinics (RHC) and Federally Qualified Health Centers (FQHC) as defined in subparagraphs (B) and (C) of section 1905(a)(2) of the Social Security Act.

The state/territory assures that payment for RHC and FQHC services is made in accordance with the requirements of section 1902(bb) of the Social Security Act.

The state/territory assures that it will comply with the requirement of section 1937(b)(5) of the Act by providing, effective January 1, 2014, to all Alternative Benefit Plan participants at least Essential Health Benefits as described in section 1302(b) of the Patient Protection and Affordable Care Act.

The state/territory assures that it will comply with the mental health and substance use disorder parity requirements of section 1937(b)(6) of the Act by ensuring that the financial requirements and treatment limitations applicable to mental health or substance use disorder benefits comply with the requirements of section 2705(a) of the Public Health Service Act in the same manner as such requirements apply to a group health plan.

The state/territory assures that it will comply with section 1937(b)(7) of the Act by ensuring that benefits provided to Alternative Benefit Plan participants include, for any individual described in section 1905(a)(4)(C), medical assistance for family planning services and supplies in accordance with such section.

The state/territory assures transportation (emergency and non-emergency) for individuals enrolled in an Alternative Benefit Plan in accordance with 42 CFR 431.53.

The state/territory assures, in accordance with 45 CFR 156.115(a)(4) and 45 CFR 147.130, that it will provide as Essential Health Benefits a broad range of preventive services including: "A" and "B" services recommended by the United States Preventive Services Task Force; Advisory Committee for Immunization Practices (ACIP) recommended vaccines; preventive care and screening for infants, children and adults recommended by HRSA's Bright Futures program/project; and additional preventive services for women recommended by the Institute of Medicine (IOM).

Service Delivery Systems

ABP8

Provide detail on the type of delivery system(s) the state/territory will use for the Alternative Benefit Plan's benchmark benefit package or benchmark-equivalent benefit package, including any variation by the participants' geographic area.

Type of service delivery system(s) the state/territory will use for this Alternative Benefit Plan(s).

Select one or more service delivery systems:

Managed care.

Managed Care Organizations (MCO).

Prepaid Inpatient Health Plans (PIHP).

Prepaid Ambulatory Health Plans (PAHP).

Primary Care Case Management (PCCM).

Managed Care Options

Managed Care Assurance

The state/territory certifies that it will comply with all applicable Medicaid laws and regulations, including but not limited to sections 1903(m), 1905(t), and 1932 of the Act and 42 CFR Part 438, in providing managed care services through this Alternative Benefit Plan. This includes the requirement for CMS approval of contracts and rates pursuant to 42 CFR 438.6.

Managed Care Implementation

Please describe the implementation plan for the Alternative Benefit Plan under managed care including member, stakeholder, and provider outreach efforts.

DMAS is currently operating a managed care delivery system for most of the Virginia Medicaid population. As such, it already has well-established member, stakeholder, and provider outreach efforts under way. DMAS and its stakeholder partners ensure that the program handles the Medicaid Adult Expansion Group efficiently and effectively. DMAS' contracted Medicaid Managed Care Organizations have years of experience providing services to similar Medicaid populations in Virginia.

MCO: Managed Care Organization

The managed care delivery system is the same as an already approved managed care program.

Yes

The managed care program is operating under (select one):

Section 1915(a) voluntary managed care program.

Section 1915(b) managed care waiver.

Section 1932(a) mandatory managed care state plan amendment.

Section 1115 demonstration.

Section 1937 Alternative (Benchmark) Benefit Plan state plan amendment.

Once individuals are enrolled in Medicaid, they will receive a letter indicating that they may select one of the contracted MCOs. These letters shall indicate an assigned MCO in which the member will be enrolled if he does not make a selection within a period specified by DMAS of not less than 30 days. (Individuals are assigned through a system algorithm based upon the member's history with a contracted MCO.) DMAS has sole responsibility for determining enrollment in the contractor's plan. DMAS utilizes an independent enrollment broker under contract to DMAS to assist members with making plan choices after initial preassignment and during open enrollment.

The Medicaid fee-for-service (FFS) system provides services to Medicaid-eligible individuals state-wide. The program covers newly-Medicaid-enrolled individuals until they can enroll in a Medicaid-contracted MCO in the managed care program. It also covers the following services and individuals that are carved out of or excluded from the managed care program: IEP school health services, dental services, and home and community-based waiver services. The FFS program provides dental health services for Medicaid individuals through an administrative service organization (ASO). Transportation services are provided through a capitated arrangement with a private contractor.
