MEDICAID MANAGED CARE

MEMBER HANDBOOK

Plan’s Logo/ Slogan must remain in the page position of this text box.

Plan Specific areas noted in gold - use same font and colors as surrounding text where appropriate

Footer must remain a single line of text with the page # & format included

Effective July 1, 2021
The (M 4.0) Program Member Handbook Template is to be used as the base handbook by all Plans. Plans must fill in areas that reference plan-specific information such as plan contact information, referral and service authorization requirements, enhanced benefits, and plan specific instructions to empower Members to access their care and services. Information added by plans should be person-centered. Plans must contact DMAS to discuss any changes outside of the instructions listed below with respect to customization or improvements, including such as content that is believed to be missing, ambiguous or incorrect.

Plans may customize the base handbook with plan specific information as described in the handbook and below. Plans have the option to do all of the following:

- Use plan-specific branded templates.
- Add the plan logo and resize / position the logo. The aspect of the logo should not be changed/distorted. (Resize from the corner).
- Add pictures, text boxes or bubbles that highlight important content.
- Revise the front cover.
- Relocate or otherwise include important phone numbers inside front or back cover for easy reference.
- Move the Help in Other Languages information to the inside of the front cover.
✓ Revise the layout as long as the base content remains unchanged, and the font remains at least 14 point. At least 18 point font must be used for sections related to getting materials or help in alternate formats.

✓ Change the content of the footer to reflect the hours of operation for Member Services, for example if the plan’s Member Services Department is available 24/7/365.

✓ Customize in the appropriate sections where the plan provides enhanced services.

✓ Add additional specific details as noted in the plan instructions throughout the handbook.

✓ Revise the format for phone numbers; plans are not required to use the table format seen on page 30 as long as the required content is included.

✓ Flesch readability score should be at the 12th grade level.

About the fonts used in this document: If you plan to update using the existing font/format, the body of the document is in “Style 2” or 14 Font Segoe UI Light, multiple spacing @ 1.15; 6 spacing (before and after). The Table of Contents is built from the headers. Section headings used is “1 Heading”; subsection headings used are “2 Heading.”

Plans should delete all “plan instruction” references from their final handbooks.
This page intentionally blank.

If you do not speak English, please call <1-xxx-xxx-xxxx (TTY: 1-xxx-xxx-xxxx)> to speak to a member services representative who can help you respond to your questions. We can also provide you with assistance finding a provider that speaks your language.

French: Si vous ne parlez pas anglais, appelez-nous à <1-xxx-xxx-xxxx (TTY: 1-xxx-xxx-xxxx)> pour parler à un représentant de nos services d’adhésion qui peut vous aider à répondre à vos questions dans votre langue. Nous pouvons également vous aider à trouver un fournisseur de soins de santé qui peut communiquer avec vous dans votre langue.

Hindi: अगर आप इंग्लिश नहीं बोलते हैं, तो आप कॉल कर सकते हैं <1-xxx-xxx-xxxx (TTY: 1-xxx-xxx-xxxx)> नंबर पर चिंतों के बारे में गुरुवार कर सकते हैं। हम आपके भाषा में चिंतों का जवाब देने के लिए सहायता कर सकते हैं, और आपके जर्जर को सहायता कर सकते हैं।

Bengali: যদি আপনি ইংরেজি বলেন না তাহলে <1-xxx-xxx-xxxx (TTY: 1-xxx-xxx-xxxx)> সংখ্যা প্রতিক্রিয়া দিতে পারেন। আপনি আমাদের সেবা সদস্যদের সাথে সংযোগ করতে পারেন যারা আপনার প্রশ্নের জবাব দেতে পারেন। আমরা আপনার ভাষায় সহায়তা করতে পারি এবং আপনাকে সেবা প্রদর্শনী সাধারণ হিসেবে সহায়তা করতে পারি।

Portuguese: Se você não fala inglês, ligue para <1-xxx-xxx-xxxx (TTY: 1-xxx-xxx-xxxx)>. Temos acesso a serviços de intérprete e podemos ajudar a responder às
suas perguntas no seu idioma gratuitamente. Também podemos ajudá-lo a encontrar um profissional de saúde que possa se comunicar com você em seu idioma.
1. Medicaid Managed Care Plan

Welcome to [Plan Name]

Thank you for choosing [Plan] as your preferred Medicaid Managed Care plan. If you are a new member, we will get in touch with you in the next few weeks to go over some very important information with you. You can ask us any questions you may have or get help making appointments. If you need to speak with us right away or before we contact you, call <Plan Name> Member Services at <Member Services Contact Number>, visit our website at <Plan web address>, or call Virginia Medicaid Managed Care Helpline at 1-800-643-2273 (TTY: 1-800-817-6608) Monday – Friday, 8:30 a.m. – 6:00 p.m. for help. This handbook is also available on the [Plan’s] website located at [Plan web address].

[Plan may include additional language about itself here so long as it does not duplicate information provided elsewhere in the guide.]

How to Use This Handbook

This handbook will help you understand your benefits and how you can get help from <Plan Name>. This handbook is a health care and <Plan Name> member guide that explains health care services, behavioral health coverage, prescription drug coverage, and other services and supports covered under the program. This guide will help you take the best steps to make our health plan work for you.

Feel free to share this handbook with a family member or someone who knows your health care needs. When you have a question or need guidance, please check this handbook, call <Plan Name> Member Services <Member Services Contact Number>, visit our website at <Plan web address>, or call Virginia Medicaid Managed Care Helpline free of charge at 1-800-643-2273 (TTY: 1-800-817-6608) Monday – Friday, 8:30 a.m. – 6:00 p.m.

Member Services and our website, and your Care Coordinator can also provide the latest information related to COVID-19.
Your Welcome Packet

Member ID Card

You should have received a welcome packet that included your [Plan] Member ID Card. Your [Plan] ID card is used to access Medicaid managed care program health care services and supports at doctor visits and when you pick up prescriptions. You must show this card to get services or prescriptions. Below is a sample card to show you what yours will look like:

[Insert picture of front and back of Member ID Card. Mark it as a sample card (for example, by superimposing the word “sample” on the image of the card).]

If you haven’t received your card, or if your card is damaged, lost, or stolen, call the Member Services number located at the bottom of this page right away, and we will send you a new card.

Keep your Commonwealth of Virginia Medicaid ID card to access services that are covered through the State, under the Medicaid fee-for-service program. These services are described in Services Covered through Medicaid Fee-For-Service, in Section 10 of this handbook.

Provider and Pharmacy Directories

You should have received information about [Plan] Provider and Pharmacy Directories. These directories list the providers and pharmacies that participate in [Plan] network. While you are a member of our plan, and in most cases, you must use one of our network providers to get covered services.

You may ask for a paper copy of the Provider and Pharmacy Directory by calling Member Services at the number at the bottom of the page. You can also see or download the Provider and Pharmacy Directory at <web address>.

[Plans must add information describing the information available in the directory.] [Plan should insert information about how to access all of these references.]

What Is [Plan’s] Service Area?

<Plan> Member Services <insert> or TTY/TDD 711; <insert>
[Insert plan service area here or within an appendix. Example: Our service area includes these cities and counties.]

Only people who live in our service area can enroll with [Plan]. If you move outside of our service area, you cannot stay in this plan. If this happens, you will receive a letter from Department of Medical Assistance Services (DMAS) asking you to choose a new plan. You can also call the Managed Care Helpline if you have any questions about your health plan enrollment. Contact the Managed Care Helpline at 1-800-643-2273 or visit the website at virginiamanagedcare.com.

[Insert any enhanced benefits offered for Members that select your plan]

List of Covered Drugs

You can access or download the Provider and Pharmacy Directory at <insert web address> or receive a printed copy by calling <insert telephone number>.

[Plans must add information describing the information available in the directory.]

[Plan should insert information about how to access all of these references.]

List of Covered and Non-Covered Services

See section 8 of this handbook or you can access or download <Plan’s> Covered Services at <insert web address> or receive a printed copy by calling <telephone number>.

[Plans must add information describing the information available in the directory.] [Plan should insert information about how to access all of these references.] See Transition of Care Period in Section 2 of this handbook.

Information About Eligibility

If you have questions about your Medicaid eligibility, contact your case worker at the Department of Social Services in the city or county where you live. If you have questions about the services you get under [Plan], please call the Member Services number listed at the bottom of this page. You may also visit Cover Virginia at www.coverva.org, or call 1-855-242-8282 or TDD: 1-888-221-1590. These calls are free.
Getting Help Right Away

<Plan’s> Member Services

Our Member Services Staff are available to help you if you have any questions about your benefits, services, or procedures or have a concern about [Plan].

How <Plan’s> Member Services Representatives Can Help You:

- Answer questions about the [Plan]
- Answer questions about claims, billing or Member ID Cards
- Assistance finding or checking to see if a doctor is in [Plan] network
- Assistance with changing your Primary Care Provider (PCP)
Help you understand your benefits and covered services including the amount that we will pay so that you can make the best decisions about your health care.

Appeals about your health care services (including drugs). An appeal is a formal way of asking us to review a decision we made about your coverage and asking us to change it if you think we made a mistake.

Complaints about your health care services (including prescriptions). You can make a complaint about us or any provider (including a non-network or network provider). A network provider is a provider who works with the health plan. You can also make a complaint about the quality of the care you received to us or to the Managed Care Helpline at 1-800-643-2273.

How To Contact <Plan> Care Manager/Coordinator (if the plan has a dedicated team or if the individual has been assigned a care coordinator due to special circumstances)

[Plans should include information explaining what a Care Manager/Coordinator is, how Members can get a Care Coordinator, how they can contact the Care Coordinator, and how they can change their Care Coordinator.]

2. How Managed Care Works

The program is a mandatory managed care program for members of Virginia Medicaid (12VAC30-120-370). The Department of Medical Assistance Services (DMAS) contracts with managed care organizations (MCOs) to provide most Medicaid covered services across the state. [Plan] is approved by DMAS to provide person-centered care coordination and health care services. Through this person-centered program, our goal is to help you improve your quality of care and quality of life.

What Makes You Eligible to be a Member?

When you apply for Medical Assistance, you are screened for all possible programs based on your age, income, and other information. To be eligible for a Medical Assistance Program, you must meet the financial and non-financial eligibility conditions for that program. Please visit the Virginia Department of Social Services’ (VDSS) Medicaid Assistant Program page for eligibility details and/or VDSS Medicaid Forms and Applications page for application and other Medicaid form details.

You are eligible for when you have full Medicaid benefits, and meet one of the following categories:

- Children under age 21
- Foster Care and Adoption Assistance Child under age 26
- Pregnant women including two months post delivery
- Parent Care-Takers

Medicaid eligible persons who do not meet certain exclusion criteria must participate in the program. Enrollment in is not a guarantee of continuing eligibility for services and benefits under the Virginia Medical Assistance Services Program. For more information about exclusionary criteria and participation, please refer to 12VAC30-120-370.

What Makes You NOT Eligible To Be A Member?

You would not be able to participate if any of the following apply to you:

<Plan> Member Services <insert> or TTY/TDD 711, <insert>
You lose Medicaid eligibility.

You do not meet one of the eligible categories above

You meet exclusionary criteria 12VAC30-120-370

You are hospitalized at the time of enrollment

You are enrolled in a Home and Community Based (HCBS) waiver

You are admitted to a free standing psychiatric hospital

You are receiving care in a Psychiatric Residential Treatment Level C Facility (children under 21)

You meet the criteria for another Virginia Medicaid program

Hospice

Virginia Birth-Related Neurological Injury Compensation Act

Third Party Liability

Comprehensive Health Coverage

Members enrolled in Medicaid, determined by DMAS as having comprehensive health coverage, other than Medicare, will be eligible for enrollment in Medallion 4.0, as long as no other exclusion applies.

Members who obtain other comprehensive health coverage after enrollment in Medallion 4.0 remain enrolled in the program.

Members who obtain Medicare after Medallion 4.0 enrollment will be disenrolled and subsequently enrolled into the Commonwealth Coordinated Care Plus (CCC+) program.

MCOs are responsible for coordinating all benefits with other insurance carriers (as applicable) and follow Medicaid “payer of last resort” rules.

MCOs cover the member’s deductibles and coinsurance up to the maximum allowable reimbursement amount that would have been paid in the absence of other primary insurance coverage.

When the TPL payor is a commercial MCO/HMO organization, the MCO is
responsible for the full member copayment amount.

MCOs ensure that members are NOT held accountable for payments and copayments for any Medicaid covered service.

For children with commercial insurance coverage, providers must bill the commercial insurance first for covered early intervention services except for:

1. Those services federally required to be provided at public expense as is the case for
   a. assessment/EI evaluation,
   b. development or review of the Individual Family Service Plan (IFSP); and,
   c. targeted case management/service coordination;
2. Developmental services; and,
3. Any covered early intervention services where the family has declined access to their private health/medical insurance.

**Enrollment**

Enrollment in the program is required for eligible individuals. DMAS and the Managed Care Helpline manage the enrollment for the program. To participate in, you must be eligible for Medicaid. The program allows for a process which speeds up member access to care coordination, disease management, 24-hour nurse call lines, and access to specialty care. This is especially important for members with chronic care needs, pregnant women, and foster care children who quickly need access to care.

**Health Plan Assignment**

You received a notice from DMAS that included your initial health plan assignment. With that notice DMAS included a comparison chart of health plans in your area. The assignment notice provided you with instructions on how to make your health plan selection.
You may have chosen us to be your health plan. If not, DMAS may have assigned you to our health plan based upon your history with us as your managed care plan. For instance, you may have been enrolled with us before through Medicaid. You may also have been assigned to us if certain providers you see are in our network.

**Changing Your Health Plan**

Assistance through the Managed Care Helpline can help you choose the health plan that is best for you. For assistance, call the Managed Care Helpline at 1-800-643-2273 or visit the website at virginiamanagedcare.com. The Managed Care Helpline is available Monday through Friday (except on State Holidays) from 8:30 am to 6 pm. Operators can help you understand your health plan choices and/or answer questions about which doctors and other providers participate with each health plan, among many helpful items. The helpline services are free and are not connected to any health plan.

You can change your health plan during the **first 90 days** of your enrollment for any reason. You can also change your health plan once a year during **open enrollment** for any reason. You will get a letter from DMAS during open enrollment with more information. You may also ask to change your health plan for “good cause” at any time. The Helpline handles good cause requests and can answer any questions you have. Contact the Helpline at 1-800-643-2273 or visit the website at virginiamanagedcare.com.

**Automatic Re-Enrollment**

If your enrollment ends with us and you regain eligibility for the program within 30 days or less, you will automatically be reenrolled with **[Plan]**. You will be sent a re-enrollment letter from the Department of Medical Assistance Services.

**What Are the Advantages of Choosing [Plan]?**

Some of the advantages of include:

- You will have access to **<Plan’s>** Care Managers. **<Plan’s>** Care Manager works with you and with your providers to make sure you get the care you need.
» You will be able to take control over your care with help from <Plan’s> care team and Care Managers.

» The care team and Care Managers are available to work with you to come up with a care plan specifically designed to meet your health needs.

» An on-call nurse or other licensed staff is available 24 hours per day, 7 days per week to answer your questions. We are here to help you. You can reach us by calling <insert> at any time.

**What Are the Advantages of Choosing [Plan]??**

[Plan can include language about [Plan] and any enhanced benefits and services.]

**What is a Health Risk Assessment?**

Within the first few weeks after you enroll with [Plan], a Care Manager will reach out to you to ask you some questions about your needs and choices. They will talk with you about any medical, behavioral, physical, and social service needs that you may have. This meeting may be in-person or by phone and is known as a health risk assessment (HRA). A HRA is a very complete assessment of your medical, psychosocial, cognitive, and functional status. The HRA is generally completed by a Care Manager within the first 30 to 60 days of your enrollment with <Plan name> depending upon the type of services that you require. This health risk assessment will enable your Care Manager to help you get the care that you need.

**Transition of Care Period**

If [Plan] is new for you, you can keep previously authorized and/or scheduled doctor’s appointments and prescriptions for the first 30 days. If your provider is not currently in <Plan’s> network, then you may be asked to select a new provider that is in <Plan’s> provider network. If your doctor leaves <Plan’s> network, we will notify you within 15 days so that you have time to select another provider.
What If I Have Other Coverage?

Medicaid is the payer of last resort. This means that if you have another insurance, are in a car accident, or if you are injured at work, your other insurance or Workers Compensation has to pay first.

We have the right and responsibility to collect for covered Medicaid services when Medicaid is not the first payer. Let Member Services know if you have other insurance so that we can best coordinate your benefits. <Plan’s> Care Managers will also work with you and your other health plan to coordinate your services. <Revise as necessary>
3. How to Get Regular Care and Services

“Regular care” means exams, regular check-ups, shots or other treatments to keep you well, getting medical advice when you need it, and refer you to the hospital or specialists when needed. Be sure to call your PCP whenever you have a medical question or concern. If you call after hours on weekends, leave a message and where or how you can be reached. Your PCP will call you back as quickly as possible. Remember, your PCP knows you and knows how the health plan works.

- Your care must be **medically necessary**.
- The services you get must be needed:
  - To prevent, or diagnose and correct what could cause more suffering, or
  - To deal with a danger to your life, or
  - To deal with a problem that could cause illness, or
  - To deal with something that could limit your normal activities.

How to Get Care from a Primary Care Provider (PCP)

A PCP is a doctor selected by you who meets state requirements and is trained to give you basic medical care. You will usually see your PCP for most of your routine health care needs. Your PCP will work with you to coordinate most of the services you get as a Member of our plan. Coordinating your services or supplies includes checking or consulting with other plan providers about your care. If you need to see a doctor other than your PCP you may need a referral (authorization) from your PCP. You may also need to get approval in advance from your PCP before receiving certain types of covered services or supplies. In some cases, your PCP will need to get authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office. Contact Member Services with any questions about referrals or prior authorizations.
Provider Directory

The provider directory includes a list of all of the doctors, specialty physicians, hospitals, clinics, pharmacies, laboratories, affiliations, accommodations for persons with physical disabilities, behavioral health providers, provider addresses, phone numbers, web site URLs, and new patient acceptance (open or closed panels) who work with [plan name]. We can also provide you with a paper copy of the provider directory. You can also call [Plan] Member Services at the number on the bottom of this page for assistance.

Choosing Your PCP

If you do not have a PCP, we can help you find a highly-qualified PCP in your community. For help locating a provider you can use our on-line provider directory at: [plan website].

You may want to find a doctor:

- Who knows you and understands your health condition,
- Who is taking new patients,
- Who can speak your language, or
- Who has accommodations that you require

If you have a disabling condition or chronic illnesses you can ask us if your specialist can be your PCP. We also contract with Federally Qualified Health Centers (FQHC). FQHCs provide primary and specialty care. Another clinic can also act as your PCP if the clinic is a network provider.

Women can also choose an OB/GYN for women’s health issues. These include routine check-ups, follow-up care if there is a problem, and regular care during a pregnancy. Women do not need a PCP referral to see an OB/GYN provider in our network.

If you do not select a PCP by the 25th of the month before the effective date of your coverage, <Plan> will auto-enroll you with a PCP. <Plan> will notify you in writing of the assigned PCP. You will need to call the member services number at the bottom of the page to select a new PCP.

[Plan can revise to describe how Member should request a PCP or obtain]
assistance in finding a PCP.]

If Your Current PCP Is Not in [Plan Name’s] Network

You can continue to see your current PCP for up to 30 days even if they are not in the [plan name’s] network. During the first 30 days of your enrollment with [Plan] your Care Coordinator can help you find a PCP in [plan name’s] network. At the end of the 30 day period, if you do not choose a PCP in the [Plan] network, [Plan] will assign a PCP to you.

How to Get Care from Other Network Providers

Our provider network includes access to care 24 hours a day 7 days per week and includes hospitals, doctors, specialists, urgent care facilities, nursing facilities, home and community based service providers, early intervention providers, rehabilitative therapy providers, addiction and recovery treatment services providers, home health and hospice providers, durable medical equipment providers, and other types of providers. [Plan] provides you with a choice of providers and they are located so that you do not have to travel very far to see them. There may be special circumstances where longer travel time is required; however, that should be only on rare occasions.

Changing Your PCP

You may call or visit [Plan’s] Member Services to change your PCP at any time to another PCP in our network. Please understand that it is possible your PCP will leave [Plan] network. We will tell you within 30 days of the provider’s intent to leave our network. We are happy help you find a new PCP. The web address for our Member Services program is [insert].

[Plans should describe how to change a PCP and indicate when that change will take effect (e.g., on the first day of the month following the date of the request, immediately upon receipt of the request, etc.).]
**Getting an Appointment with Your PCP**

Your PCP will take care of most of your health care needs. Call your PCP to make an appointment. If you need care before your first appointment, call your PCP’s office to ask for an earlier appointment. If you need help making an appointment, call Member Services at the number below.

**Appointment Standards**

You should be able to get an appointment with your PCP within the same amount of time as any other patient seen by the PCP. Expect the following times to see a provider:

- For an emergency - immediately.
- For urgent care office visits with symptoms –24 hours of request.
- For routine primary care visit – within 30 calendar days.

If you are pregnant, you should be able to make an appointment to see an OB/GYN as follows:

- First trimester (first 3 months) - Within fourteen (14) calendar days of request.
- Second trimester (3 to 6 months) - Within seven (7) calendar days of request.
- Third trimester (6 to 9 months) - Within five (5) business days of request.
- High Risk Pregnancy - Within three (3) business days or immediately if an emergency exists.

If you are unable to receive an appointment within the times listed above, call Member Services at the number below and they will help you get the appointment.

**Travel Time and Distance Standards**

[Plan] will provide you with the services you need within the travel time and distance standards described in the table below. These standards apply for
services that you travel to receive from network providers. These standards do not apply to providers who provide services to you at home. If you live in an urban area, you should not have to travel more than 30 miles or 45 minutes to receive services. If you live in a rural area you should not have to travel more than 60 miles or 75 minutes to receive services.

**Accessibility**

[Plan] wants to make sure that all providers and services are as accessible (including physical and geographic access) to individuals with disabilities as they are to individuals without disabilities. If you have difficulty getting an appointment to a provider, or accessing services because of a disability, contact Member Services at the telephone numbers below for assistance.

**Telehealth Visits**

[MCO fills in: If applicable, include a description of telehealth services. Describe how members can make a telehealth appointment. Consider including information about prescriptions. ]

**What If a Provider Leaves <Plan’s> Network?**

A network provider you are using might leave our plan. If one of your providers does leave our plan, you have certain rights and protections that are summarized below:
Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.

When possible, we will give you at least 30 days’ notice so that you have time to select a new provider.

We will help you select a new qualified provider to continue managing your health care needs.

If you are undergoing medical treatment, you have the right to ask, and we will work with you to ensure, that the medically necessary treatment you are getting is not interrupted.

If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

If you find out one of your providers is leaving our plan, please contact your Case Manager so we can assist you in finding a new provider and managing your care.

What Types of People and Places Are Network Providers?

[Plan name’s] network providers include:

- Doctors, nurses, and other health care professionals that you can go to as a Member of our plan;
- Clinics, hospitals, nursing facilities, and other places that provide health services in our plan;
- Providers for children with special health care needs,
- Behavioral Health and Substance Abuse practitioners, therapists, and counselors

What Are Network Pharmacies?

Network pharmacies are pharmacies (drug stores) that have agreed to fill prescriptions for our Members. Use the Provider and Pharmacy Directory to find the network pharmacy you want to use.
Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them. Call Member Services at the number at the bottom of the page for more information. Both Member Services and [Plan]’s website can give you the most up-to-date information about changes in our network pharmacies and providers.

**Services You Can Get Without a Referral or Prior Authorization**

[Note: Insert this Section only if plans require referrals to network providers.]

In most cases, you will need an approval from your PCP before seeing other providers. This approval is called a referral. You can get services like the ones listed below without first getting approval from your PCP:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.
- Family Planning Services and Supplies
- Routine women’s health care services. This includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider
- Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral.

[Plans should add additional bullets as appropriate.]
4. How to Get Specialty Care and Services

What are Specialists?

If you need care that your PCP cannot provide, your PCP may refer you to a specialist. Most of the specialists are in [Plan’s] network. A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

If you need to see a specialist for ongoing care, your PCP may be able to refer you for a specified number of visits or length of time (known as a standing referral). If you have a standing referral, you will not need a new referral each time you need care. If you have a disabling condition or chronic illnesses you can ask us if your specialist can be your PCP.

How Do I Access A Network Specialist?

[Plans should describe how Members access specialists and other network providers, including:

What is the role (if any) of the PCP in referring Members to specialists and other providers?

What is the process for getting authorization? Explain that authorization means that the Member must get approval from [Plan] before getting a specific service or drug. Include information about who makes the authorization decision (e.g., [Plan], the PCP, or another entity) and who is responsible for getting the authorization (e.g., the PCP, the Member). Refer Members to the Benefits Section [plans may insert reference, as applicable] for information about which services require authorization.]
How to Get Care from Out-Of-Network Providers

[Plans should tell Members under what circumstances they may obtain services from out-of-network providers (e.g., when providers of specialized services are not available in network). Include Medicaid out-of-network requirements. Describe the process for getting authorization, including who is responsible for getting it.]

If we do not have a specialist in the [Plan] network to provide the care you need, we will get you the care you need from a specialist outside of the [Plan] network. We will also get you care outside of the [Plan] network in any of the following circumstances:

- When [Plan] has approved a doctor out of its established network;
- When emergency and family planning services are rendered to you by an out of network provider or facility;
- When you receive emergency treatment by providers not in the network;
- When the needed medical services are not available in <plan’s> network;
- When [Plan] cannot provide the needed specialist within the distance standard of more than 30 miles in urban areas or more than 60 miles in rural areas;
- When the type of provider needed and available in [plan’s] network does not, because of moral or religious objections, furnish the service you need;
- Within the first thirty (30) calendar days of your enrollment, where your provider is not part of [plan’s] network but he has treated you in the past; and,
- If you are in a nursing home when you enroll with [Plan], and the nursing home is not in [plan’s] network.

If your PCP or [Plan] refer you to a provider outside of our network, you are not responsible for any of the costs, except for your patient pay towards long term services and supports. See Section 14 of this handbook for information about what a patient pay is and how to know if you have one.
How to Get Care From Out of State Providers

[Plan] is not responsible for services you obtain outside Virginia except under the following circumstances:

- Necessary emergency or post-stabilization services;
- Where it is a general practice for those living in your locality to use medical resources in another State; and,
- The required services are medically necessary and not available in-network and within the Commonwealth.
5. How to Get Emergency Care and Services

What is an Emergency?
You are always covered for emergencies. An emergency is a sudden or unexpected illness, severe pain, accident or injury that could cause serious injury or death if it is not treated immediately.

What to do in an Emergency?
Call 911 at once! You do not need to call <plan> first. Go to the closest hospital. Calling 911 will help you get to a hospital. You can use any hospital for emergency care, even if you are in another city or state. If you are helping someone else, please remain calm.

Tell the hospital that you are a <plan> Member. Ask them to call <plan> at the number on the back of your ID Card.

What is a Medical Emergency?
This is when a person thinks he or she must act quickly to prevent serious health problems. It includes symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn’t get immediate medical attention, you believe that it could cause:

- serious risk to your health; or
- serious harm to bodily functions; or
- serious dysfunction of any bodily organ or part; or
- in the case of a pregnant woman in active labor, meaning labor at a time when either of the following would occur:
  - There is not enough time to safely transfer you to another hospital before delivery.
  - The transfer may pose a threat to your health or safety or to that of your unborn child.
What is a Behavioral Health Emergency?

A behavioral health emergency is when a person thinks about or fears they might hurt themselves or someone else.

Examples of Non-Emergencies

Examples of non-emergencies are: colds, sore throat, upset stomach, minor cuts and bruises, or sprained muscles. If you are not sure, call your PCP or the [Plan’s] 24/7 medical advice line at: [ ].

If You Have an Emergency When you are Away from Home?

You or a family Member may have a medical or a behavioral health emergency away from home. You may be visiting someone outside Virginia. While traveling, your symptoms may suddenly get worse. If this happens, go to the closest hospital emergency room. You can use any hospital for emergency care. Show them your <Plan> card. Tell them you are in [plan’s] program.

What is Covered If You Have an Emergency?

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. If you need an ambulance to get to the emergency room, our plan covers that. If you have an emergency, we will talk with the doctors who give you emergency care. Those doctors will tell us when your medical emergency is complete.

Notifying [Plan] About Your Emergency

Notify your doctor and [Plan] as soon as possible about the emergency within 48 hours if you can. However, you will not have to pay for emergency services because of a delay in telling us. We need to follow up on your emergency care. Your Care Coordinator will assist you in getting the correct services in place before you are discharged to ensure that you get the best care possible. Please call [Plan inserts instructions with contact information]. This number is also listed on the back of [plan’s] Member card.
After An Emergency

[Plan] will provide necessary follow-up care, including two out of network providers, until your physician says that your condition is stable enough for you to transfer to an in-network provider, or for you to be discharged. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible after your physician says you are stable. You may also need follow-up care to be sure you get better. Your follow-up care will be covered by our plan.

If You Are Hospitalized

If you are hospitalized, a family Member or a friend should contact <Plan> as soon as possible. By keeping <Plan> informed, your Care Coordinator can work with the hospital team to organize the right care and services for you before you are discharged. Your Care Coordinator will also keep your medical team including your home care services providers informed of your hospital and discharge plans.

What If It Wasn’t A Medical Emergency After All?

Sometimes it can be hard to know if you have a medical emergency. You might go in for emergency care, and the doctor may say it wasn’t really a medical emergency. As long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care only if:

- you go to a network provider, or
- the additional care you get is considered “urgently needed care” and you follow the rules for getting urgently needed care this care. (See Urgently Needed Care in Section 6 of this handbook.)
6. How to Get Urgently Needed Care

**What is Urgently Needed Care?**

Urgently needed care is care you get for a sudden illness, injury, or condition that isn’t an emergency but needs care right away. For example, you might have an existing condition that worsens and you need to have it treated right away. In most situations, we will cover urgently needed care only if you get this care from a network provider. *[Plan can keep or delete. However, if you can’t get to a network provider, we will cover urgently needed care you get from an out-of-network provider.]*

You can find a list of urgent care centers we work with in our Provider and Pharmacy Directory, available on our website at [insert].

When you are outside the service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.
7. How to Get Prescription Drugs

This Section explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or drug store.

**Rules for [Plan]’s Outpatient Drug Coverage**

[Plan] will usually cover your drugs as long as you follow the rules in this Section.

1. You must have a doctor or other provider write your prescription. This person often is your primary care provider (PCP). It could also be another provider if your primary care provider has referred you for care. Prescriptions for controlled substances must be written by an in network doctor or provider.

2. You generally must use a network pharmacy to fill your prescription.

3. Your prescribed drug must be on [Plan]’s List of Covered Drugs. If it is not on the Drug List, we may be able to cover it by giving you an authorization. [Plan includes instructions].

4. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain reference books.

[Plan adds additional information as applicable]

**Getting Your Prescriptions Filled**

In most cases, [Plan] will pay for prescriptions only if they are filled at [plan’s] network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our Members. You may go to any of our network pharmacies.

To find a network pharmacy, you can look in the Provider and Pharmacy Directory, visit our website, or contact Member Services at the number at the bottom of the page.

To fill your prescription, show your Member ID Card at your network pharmacy. The network pharmacy will bill [Plan] for the cost of your covered prescription.
drug. If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call [Plan] to get the necessary information.

If you need help getting a prescription filled, you can contact Member Services at the number at the bottom of the page.

**List of Covered Drugs**

[Plan] has a List of Covered Drugs that are selected by [Plan] with the help of a team of doctors and pharmacists. The [Plan] List of Covered Drugs also includes all of the drugs on the DMAS Preferred Drug List (PDL). The List of Covered Drugs can be found at [plan inserts plan website]. The List of Covered Drugs tells you which drugs are covered by [Plan] and also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get.

You can call Member Services to find out if your drugs are on the List of Covered Drugs or check on-line at [website] or we can mail you a paper copy of the List of Covered Drugs. The List of Covered Drugs may change during the year. To get the most up-to-date List of Covered Drugs, visit [enter plan website information] or call [plan contact information including hours, etc.].

Plan provides instructions on how the member can access the list of covered drugs electronically and via paper upon request. Plan adds additional information as applicable including how individuals are notified of changes to the Drug list, especially if a medication they have been taking comes off the Plan’s Drug list.
We will generally cover a drug on [Plan’s] List of Covered Drugs as long as you follow the rules explained in this Section. You can also get drugs that are not on the list when medically necessary. Your physician may have to obtain a service authorization from us in order for you to receive some drugs.

Limits for Coverage of Some Drugs

For certain prescription drugs, special rules limit how and when we cover them. In general, our rules encourage you to get a drug that works for your medical condition and that is safe and effective, and cost effective.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may need to request a service authorization for you to receive the drug. We may or may not agree to approve the request without taking extra steps. Refer to Service Authorization and Benefit Determination and Service Authorizations and Transition of Care in Section 11 of this Handbook.

If [Plan] is new for you, you can keep getting your authorized drugs for the duration of the authorization or for 30 days after you first enroll, whichever is sooner. Refer to Transition of Care Period in Section 11 of this handbook.

If we deny or limit coverage for a drug, and you disagree with our decision, you have the right to appeal our decision. Refer to Your Right to Appeal in Section 12 of this handbook. If you have any concerns, contact your Care Coordinator. Your Care Coordinator will work with you and your PCP to make sure that you receive the drugs that work best for you.

Getting Approval in Advance

For some drugs, you or your doctor must get a service authorization approval from [Plan] before you fill your prescription. If you don’t get approval, [Plan]
may not cover the drug.

**Trying a Different Drug First**

We may require that you first try one (usually less-expensive) drug before we will cover another (usually more-expensive) drug for the same medical condition. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, then we will cover Drug B. This is called step therapy.

**Quantity Limits**

For some drugs, we may limit the amount of the drug you can have. This is called a quantity limit. For example, the plan might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug your physician has prescribed, check the List of Covered Drugs. For the most up-to-date information, call Member Services or visit our website at [Plan website].

**Emergency Supply**

There may be an instance where your medication requires a service authorization, and your prescribing physician cannot readily provide authorization information to us, for example over the weekend or on a holiday. If your pharmacist believes that your health would be compromised without the benefit of the drug, we may authorize a 72-hour emergency supply of the prescribed medication. This process provides you with a short-term supply of the medications you need and gives time for your physician to submit a service authorization request for the prescribed medication.

**Non Covered Drugs**

By law the types of drugs listed below are not covered by Medicare or Medicaid:

---

<Plan> Member Services <insert> or TTY/TDD 711, <insert>
Drugs used to promote fertility;

Drugs used for cosmetic purposes or to promote hair growth;

Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®, unless such agents are used to treat a condition other than sexual or erectile dysfunction, for which the agents have been approved by the FDA;

Drugs used for treatment of anorexia, weight loss, or weight gain;

All DESI (Drug Efficacy Study Implementation) drugs as defined by the FDA to be less than effective, including prescriptions that include a DESI drug;

Drugs that have been recalled;

Experimental drugs or non-FDA-approved drugs; and,

Any drugs marketed by a manufacturer who does not participate in the Virginia Medicaid Drug Rebate program.

**Changing Pharmacies**

If you need to change pharmacies and need a refill of a prescription, you can ask your pharmacy to transfer the prescription to the new pharmacy. If you need help changing your network pharmacy, you can contact Member Services at the number at the bottom of the page or your Care Coordinator.

If the pharmacy you use leaves [plan’s] network, you will have to find a new network pharmacy. To find a new network pharmacy, you can look in the Provider and Pharmacy Directory, visit our website, or contact Member Services at the number at the bottom of the page or your Care Coordinator. Member Services can tell you if there is a network pharmacy nearby.

**What if You Need a Specialized Pharmacy?**

Sometimes prescriptions must be filled at a specialized pharmacy. Specialty drugs are used for treatment of complex diseases and when prescribed the medications required special handling or clinical care support prior to dispensing. Only a limited
number of pharmacies are contracted by each MCO to provide these drugs. These medications will be shipped directly to the member's home or the prescriber office and cannot be picked up at all retail outlets. Also these drugs usually require a service authorization prior to dispensing. Be sure to check with the formulary of your plan regarding coverage of these specialty drugs and allow time for shipment deliveries.

Can You Use Mail-Order Services To Get Your Prescriptions?

Plan fills in specifics as applicable

Can You Get a Long-Term Supply of Drugs?

Plan fills in as applicable

Can You Use a Pharmacy that is not in [Plan]'s Network?

Plan fills in as applicable

What is the Patient Utilization Management and Safety (PUMS) Program

Some Members who require additional monitoring may be enrolled in the Patient Utilization Management and Safety (PUMS) program. The PUMS program is required by DMAS and helps make sure your drugs and health services work together in a way that won’t harm your health. As part of this program, we may check the Prescription Monitoring Program (PMP) tool that the Virginia Department of Health Professions maintains to review your drugs. This tool uses an electronic system to monitor the dispensing of controlled substance prescription drugs.

If you are chosen for PUMS, you may be restricted to or locked into only using one pharmacy or only going to one provider to get certain types of medicines. We will send you a letter to let you know how PUMS works. The inclusion period is for 12 months. At the end of the lock in period, we’ll check in with you to see if you should continue the program. If you are placed in PUMS and don’t think you should be in the program, you can appeal. You must appeal to us within 60 days.
of when you get the letter saying that you have been put into PUMS. You can also request a State Fair Hearing. Refer to Appeals, State Fair Hearings, and Complaints in Section 12 of this handbook.

If you’re in the PUMS program, you can get prescriptions after hours if your selected pharmacy doesn’t have 24-hour access. You’ll also be able to pick a PCP, pharmacy or other provider where you want to be locked in. If you don’t select providers for lock in within 15 days, we’ll choose them for you.

Members who are enrolled in PUMS will receive a letter from [Plan] that provides additional information on PUMS including all of the following information:

- A brief explanation of the PUMS program;
- A statement explaining the reason for placement in the PUMS program;
- Information on how to appeal to [Plan] if placed in the PUMS program;
- Information regarding how request a State Fair Hearing after first exhausting the [plan’s] appeals process;
- Information on any special rules to follow for obtaining services, including for emergency or after hours services; and
- Information on how to choose a PUMS provider.

Contact Member Services at the number below or your Care Coordinator if you have any questions on PUMS.
8. Benefits

General Coverage Rules

To receive coverage for services you must meet the general coverage requirements described below.

1. Your services (including medical care, services, supplies, equipment, and drugs) must be medically necessary. Medically necessary generally means you need the services to prevent, diagnose, or treat a medical condition or prevent a condition from getting worse.

2. In most cases, you must get your care from a network provider. A network provider is a provider who works with [Plan]. In most cases, [Plan] will not pay for care you get from an out-of-network provider unless the service is authorized by [Plan]. Section 3 has information about Services You Can Get Without First Getting Approval From Your PCP. Section 4 has more information about using network and out-of-network providers.

3. Some of your benefits are covered only if your doctor or other network provider gets approval from us first. This is called service authorization. Section 11 includes more information about service authorizations.

4. If [Plan] is new for you, you can keep seeing the doctors you go to now for the first 30 days. You can also keep getting your authorized services for the duration of the authorization or for 30 days after you first enroll, whichever is sooner. Also see Transition of Care Period in Section 11.

Benefits Covered Through [Plan]

[Plan] covers all of the following services for you when they are medically necessary.

- Regular medical care, including office visits with your PCP, referrals to specialists, exams, etc. See Section 3 of this handbook for more information about PCP services.

- Preventive care, including regular check-ups, well baby/child care. See Section 3 of this handbook for more information about PCP services.
- Addiction, recovery, and treatment services (ARTS), including inpatient, outpatient, community based, medication assisted treatment, peer services, and case management. Services may require authorization. Additional information about ARTS services is provided later in this Section of the handbook.

- Behavioral health services, including inpatient and outpatient psychotherapy individual, family, and group are covered. (Except Mental Health Services rehabilitation services are covered through Magellan, the DMAS Behavioral Health Services Administrator; see Section 8 of this handbook.)

- Clinic services

- Colorectal cancer screening

- Mental Health and Rehabilitative Services (Beginning August 1, 2018)

- Court ordered services

- Durable medical equipment and supplies (DME)

- Early and periodic screening diagnostic and treatment services (EPSDT) for children under age 21. Additional information about EPSDT services is provided later in this Section of the handbook.

- Early intervention services designed to meet the developmental needs of children and families and to enhance the development of children from birth to the day before the third birthday. Additional information about early intervention services is provided later in this Section of the handbook.

- Electroconvulsive therapy (ECT)

- Emergency custody orders (ECO)

- Emergency services including emergency transportation services (ambulance, etc.)

- Emergency and post stabilization services. Additional information about emergency and post stabilization services is provided in Section 5 and 6 of this handbook.
- End stage renal disease services
- Eye examinations.
- Family planning services, including services, devices, drugs (including long acting reversible contraception) and supplies for the delay or prevention of pregnancy. You are free to choose your method for family planning including through providers who are in/out of [plan’s] network. [Plan] does not require you to obtain service authorization or PCP referrals on family planning services.
- Glucose test strips.
- Hearing (audiology) services.
- Home health services.
- Hospice services.
- Hospital care – inpatient/outpatient.
- Human Immunodeficiency Virus (HIV) testing and treatment counseling.
- Immunizations.
- Inpatient psychiatric hospital services.
- Laboratory, Radiology and Anesthesia Services.
- Lead investigations
- Mammograms.
- Maternity care- includes: pregnancy care, doctors/certified nurse-midwife services. Additional information about maternity care is provided in Section 6 of this handbook.
- Nurse Midwife Services through a Certified Nurse Midwife provider.
- Organ transplants.
- Orthotics, including braces, splints and supports - for children under 21, or adults through an intensive rehabilitation program.
- Outpatient hospital services.
- Pap smears.
- Physician’s services or provider services, including doctor’s office visits.
- Physical, occupational, and speech therapies.
- Podiatry services (foot care).
- Prenatal and maternal services.
- Prescription drugs. See Section 7 of this handbook for more information on pharmacy services.
- Private duty nursing services (through EPSDT) Under Age 21
- Prostate specific antigen (PSA) and digital rectal exams.
- Prosthetic devices including arms, legs and their supportive attachments, breasts, and eye prostheses).
- Psychiatric or psychological services.
- Radiology services.
- Reconstructive breast surgery.
- Renal (kidney) dialysis services.
- Rehabilitation services – inpatient and outpatient (including physical therapy, occupational therapy, speech pathology and audiology services).
- Second opinion services from a qualified health care provider within the network or we will arrange for you to obtain one at no cost outside the network. The doctor providing the second opinion must not be in the same practice as the first doctor. Out of network referrals may be approved when no participating provider is accessible or when no participating provider can meet your individual needs.
- Surgery services when medically necessary and approved by [plan.]
- Telemedicine services.
- Temporary detention orders (TDO).
- Tobacco Cessation Services, education and pharmacotherapy for all members.
Transportation services, including emergency and non-emergency (air travel, ground ambulance, stretcher vans, wheelchair vans, public bus, volunteer/registered drivers, taxi cabs. [Plan] will also provide transportation to/from most carved-out services. Additional information about transportation services is provided later in this Section of the handbook.

- Vision services.
- Well Visits (Plans include specifics).
- Abortion services- coverage is only available in cases where there would be a substantial danger to life of the mother.

**Extra Benefits We Provide That are not Covered by Medicaid**

As a member of [Plan] you have access to services that are not generally covered through Medicaid fee-for-service. These are known as “enhanced benefits.” We provide the following enhanced benefits: Plan provides information on enhanced benefits.

Plan provides information on enhanced benefits. [UPDATE FOR 2020]

**What is Early and Periodic Screening, Diagnostic, and Treatment Services (EPSDT)?**

Early and Periodic Screening, Diagnosis and Treatment (EPSDT) is a Federal law (42 CFR § 441.50 et seq) which requires state Medicaid programs to assure that health problems for individuals under the age of 21 are diagnosed and treated as early as possible, before the problem worsens and treatment becomes more complex and costly.

EPSDT promotes the early and universal assessment of children’s healthcare needs through periodic screenings, and diagnostic and treatment services for vision, dental and hearing. EPSDT screenings are conducted by physicians or certified nurse practitioners and can occur during the following:

- Screening/well child check-ups (EPSDT/Periodic screenings) – Checkup that occur at regular intervals.
• Sick visits (EPSDT/Inter-periodic Screenings) – unscheduled check-up or problem focused assessment that can happen at any time because of child’s illness or a change in condition.

We also cover any and all services identified as necessary to correct, or ameliorate any identified defects or conditions. Coverage is available under EPSDT for services even if the service is not available under the State’s Medicaid Plan to the rest of the Medicaid population. All treatment services require service authorization (before the service is rendered by the provider).

**How to Access EPSDT Service Coverage**

[Plan] provides most of the Medicaid EPSDT covered services. However, some EPSDT services, like pediatric dental care, are not covered by [Plan]. For any services not covered by [Plan], you can get these through the Medicaid fee-for-service program. Additional information is provided in Section 11 of this handbook. [Plans should provide applicable information about getting EPSDT services, including service authorization requirements.]

**How to Access Early Intervention Service Coverage**

If you have a baby under the age of three, and you believe that he or she is not learning or developing like other babies and toddlers, your child may qualify for early intervention services. Early intervention services include services that are designated to meet the developmental needs of an infant or toddler with a disability in any one or more of the following areas: physical, cognitive, communication, social or emotional, or adaptive development. The services include speech therapy, physical therapy, and occupational therapy. The first step is meeting with the local Infant and Toddler Connection program in your community to see if your child is eligible. Children from birth to age three are eligible if he or she has (i) a 25% developmental delay in one or more areas of development; (ii) atypical development; or, (iii) a diagnosed physical or mental condition that has a high probability of resulting in a developmental delay.
For more information call your Care Coordinator. Your Care Coordinator can help. If your child is enrolled in [Plan] we provide coverage for early intervention services. If the family requests assistance with transportation and scheduling to receive Early Intervention services, we provide this assistance.

Your Care Coordinator will work closely with you and the Infant and Toddler Connection program to help you access these services and any other services that your child may need. Information is also available at www.infantva.org or by calling 1-800-234-1448.

Foster Care and Adoption Assistance

INSERT HEALTH PLAN NAME can provide individuals who are in foster care or are receiving adoption assistance with assistance in referrals to providers, transition planning (for youth about to leave the foster care system) and care coordination. In fact, INSERT PLAN NAME has a case management team that specializes in these services and in working with local Departments of Social Services to help navigate medical and/or behavioral health care and other resources. For more information about these resources, please call the INSERT PLAN FOSTER CARE CASE MANAGEMENT TEAM.

How to Access Maternal and Child Health Services with your Medicaid or FAMIS MOMS health care coverage, you can get free services to help you have a healthy pregnancy and a healthy baby. Medicaid and FAMIS MOMS pay for your prenatal care and the delivery of your baby. Getting medical care early in your pregnancy is very important.

PLAN NAME has programs for pregnant women that include:

- pregnancy-related and post-partum services
- prenatal and infant programs
- services to treat any medical condition that may complicate pregnancy
- lactation consultation and breast pumps
• smoking cessation
• postpartum depression screening

PLANS SHOULD ADD THEIR PREGNANCY PROGRAM SPECIFIC INFO

**Enrollment for Newborns**

Once you have your baby, you will need to report the birth of your child as quickly as possible to enroll your baby for Medicaid. You can do this by:

- Calling the Cover Virginia Call Center at 1 (855) 242-8282 to report the birth of your child over the phone, or
- Contacting your local Department of Social Services to report the birth of your child.

You will be asked to provide your information and your infant’s:

- Name
- Date of Birth
- Race
- Sex
- The infant’s mother’s name and Medicaid ID number

**How to Access Family Planning Services**

Family planning services, including services, devices, drugs (including long acting reversible contraception) and supplies for the delay or prevention of pregnancy. You are free to choose your method for family planning including through providers who are in/out of the PLAN NAME network.

**How to Access Behavioral Health Services**

Behavioral health services offer a wide range of treatment options for individuals with a mental health or substance use disorder. Many individuals struggle with mental health conditions such as depression, anxiety, or other mental health
issues as well as using substances at some time in their lives. These behavioral health services aim to help individuals live in the community and maintain the most independent and satisfying lifestyle possible. Services range from outpatient counseling to hospital care, including day treatment and crisis services. These services can be provided in your home or in the community, for a short or long timeframe, and all are performed by qualified individuals and organizations.

Some Behavioral Health services are covered for you through Magellan, the DMAS Behavioral Health Services Administrator (BHSA). [Plan’s] Member Services can help coordinate the services you need, including those that are provided through the BHSA.

[Plans should provide applicable information about getting behavioral health services, including service authorization requirements. Plans must follow Mental Health Parity and Addiction Equity Act (MHPAEA) requirements.]

[Plans should provide applicable information about getting behavioral health services, including service authorization requirements.]

**How to Access Addiction and Recovery Treatment Services (ARTS)**

[Plan] offers a variety of services that help individuals who are struggling with using substances, including drugs and alcohol. Addiction is a medical illness, just like diabetes, that many people deal with and can benefit from treatment no matter how bad the problem may seem.

If you need treatment for addiction, we provide coverage for services that can help you. These services include settings in inpatient, outpatient, residential, and community-based treatment. Medication assisted treatment options, counseling services, and behavioral therapy options are also available if you are dealing with using prescription or non-prescription drugs. Other options that are helpful include peer services (someone who has experienced similar issues and in recovery), as well as case management services. Talk to your PCP or call your Care Coordinator to determine the best option for
you and how to get help in addiction and recovery treatment services. To find an ARTS provider, you can look in the Provider and Pharmacy Directory, visit our website, call your Care Coordinator, or contact Member Services at one of the numbers below.

[Plans should provide applicable information about getting ARTS services, including service authorization requirements. Plans must follow Mental Health Parity and Addiction Equity Act (MHPAEA) requirements.]

**How to Access Non-Emergency Transportation Services**

**Transportation Services Covered by [Plan]**

Non-Emergency transportation services are covered by [Plan] for covered services, carved out services, and enhanced benefits.

Transportation may be provided if you have no other means of transportation and need to go to a physician or a health care facility for a covered service. For urgent or non-emergency medical appointments, call the reservation line at [inset]. If you are having problems getting transportation to your appointments, call [Plan Transportation Contractor] at [insert phone number] or Member Services at the number below.

In case of a life-threatening emergency, call 911. Refer to How to Get Care for Emergencies in Chapter 5 of this handbook.

[Plans should provide applicable information about getting transportation services including advance notice for routine reservations and contact information.]
9. Services Not Covered by

The following services are not covered by Medicaid or [Plan]. If you receive any of the following non-covered services you will be responsible for the cost of these services. *(Plans revise if any of these are covered as enhanced benefits through your plan)*

- Acupuncture
- Administrative expenses, such as completion of forms and copying records
- Artificial insemination, in-vitro fertilization, or other services to promote fertility
- Assisted suicide
- Certain drugs not proven effective
- Certain experimental surgical and diagnostic procedures
- Chiropractic services
- Christian Science nurses
- Cosmetic treatment or surgery
- Daycare, including sitter services for the elderly (except in some home- and community-based service waivers)
- Drugs prescribed to treat hair loss or to bleach skin
- Elective Abortions
- Erectile Dysfunction Drugs
- Experimental or Investigational Procedures
- Eyeglasses or their repair for Members age 21 or older
- Immunizations if you are age 21 or older (except for flu and pneumonia for those at risk and as authorized by [Plan])
- Medical care other than emergency services, urgent services, [plan keeps or deletes urgent care services], or family planning services, received from
providers outside of the network unless authorized by [Plan]

- Services rendered while incarcerated
- Weight loss clinic programs unless authorized
- Care outside of the United States

<Plan should revise/add if any of these services are covered as enhanced benefits or when authorized through [Plan]>

**If You Receive Non-Covered Services**

We cover your services when you are enrolled with our plan and:

- Services are medically necessary, and
- Services are listed as Benefits Covered Through [Plan] in Section 8 of this handbook, and
- You receive services by following plan rules.

If you get services that aren’t covered by our plan or covered through DMAS, you must pay the full cost yourself. If you are not sure and want to know if we will pay for any medical service or care, you have the right to ask us. You can call Member services or your Care Coordinator to find out more about services and how to obtain them. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision. Section 12 provides instructions for how to appeal [Plan]’s coverage decisions. You may also call Member Services to learn more about your appeal rights or to obtain assistance in filing an appeal.
10. Services Covered Through Medicaid Fee-For-Service

DMAS will provide you with coverage for any of the services listed below. These services are known as “carved-out services.” You stay in [Plan] when receiving these services. Your provider bills fee-for-service Medicaid (or its Contractor) for these services.

**Carved Out services**

- Dental Services are provided through the DMAS Dental Benefits Administrator.

  The state has contracted with a DMAS Dental Benefits Administrator to coordinate the delivery of all Medicaid dental services for children, pregnant women, and adults. The dental program provides coverage for the following populations and services:

  - For children under age 21: diagnostic, preventive, restorative/surgical procedures, as well as orthodontia services.
  - For pregnant women: x-rays and examinations, cleanings, fillings, root canals, gum related treatment, crowns, partials, and dentures, tooth extractions and other oral surgeries, and other appropriate general services. Orthodontic treatment is not included. The dental coverage ends 60 days after the baby is born.
  - For adults age 21 and over, coverage will include cleanings, x-rays, exams, fillings, dentures, root canals, gum-related treatment, oral surgery and more.

If you have any questions about your dental coverage through the DMAS Dental Benefits Administrator, you can reach DentaQuest Member Services at 1-888-912-3456, Monday through Friday, 8:00 AM - 6:00 PM EST. The TTY/TDD number is 1-800-466-7566. Additional program information is provided at: [https://www.dmas.virginia.gov/for-members/benefits-and-services/dental/](https://www.dmas.virginia.gov/for-members/benefits-and-services/dental/)
[Plan] provides coverage for non-emergency transportation for any dental services covered through the DMAS Dental Benefits Administrator, as described above. Contact [Plan] Member Services at the number below if you need assistance.

[Plan] provides coverage for oral services such as hospitalizations, surgeries or services billed by a medical doctor not a dentist.

- School health services including certain medical, mental health, hearing, or rehabilitation therapy services that are arranged by your child’s school. The law requires schools to provide students with disabilities a free and appropriate public education, including special education and related services according to each student’s Individualized Education Program (IEP). While schools are financially responsible for educational services, in the case of a Medicaid-eligible student, part of the costs of the services identified in the student's IEP may be covered by Medicaid. When covered by Medicaid, school health services are paid by DMAS. Contact your child’s school administrator if you have questions about school health services.

**Services That Will End Your Enrollment**

If you receive any of the services below, your enrollment with [Plan] will close and you will be served by the Medicaid Fee-For-Service program so long as you remain eligible for Medicaid.

- You are receiving care in an Intermediate Care Facility for Individuals with Intellectual Disabilities.
- You are receiving care in a Psychiatric Residential Treatment Level C Facility (children under 21).
- You are receiving care in a Nursing Facility.
- You are receiving care in a Long Term Care Facility.

[Plans add details as desired]
11. Service Authorization Procedure

**Service Authorizations Explained**

There are some treatments, services, and drugs that you need to get approval for before you receive them or in order to be able to continue receiving them. This is called a service authorization. Your doctor makes requests for service authorizations.

If the services you require are covered through Medicare then a service authorization from [Plan] is not required. If you have questions regarding what services are covered under Medicare, please contact your Medicare health plan. You can also contact your [Plan] Care Coordinator.

A service authorization helps to determine if certain services or procedures are medically needed and covered by the plan. Decisions are based on what is right for each member and on the type of care and services that are needed.

We look at standards of care based on:

- Medical policies
- National clinical guidelines
- Medicaid guidelines
- Your health benefits

[Plan] does not reward employees, consultants, or other providers to:

- Deny care or services that you need
- Support decisions that approve less than what you need
- Say you don’t have coverage

Service authorizations are not required for early intervention services, emergency care, family planning services (including long acting reversible contraceptives), preventive services, and basic prenatal care.

The following treatments and services must be authorized before you get them:

[Plan enters all services that require service authorization, including those]
that require an authorization beyond a certain limit].

To find out more about how to request approval for these treatments or services you can contact Member Services at the number below or call your Care Coordinator.

**Service Authorizations and Transition of Care**

If you are new to [Plan] we will honor any service authorization approvals made by the Department of Medical Assistance Services or issued by another plan for up to 30 days (or until the authorization ends if that is sooner than 30 days).

**How to Submit a Service Authorization Request**

[Plan enters other instructions for how to obtain a service authorization]

**What Happens After Submitting A Service Authorization Request?**

[Plan] has a review team to be sure you receive medically necessary services. Doctors and nurses are on the review team. Their job is to be sure the treatment or service you asked for is medically needed and right for you. They do this by checking your treatment plan against medically acceptable standards. The standards we use to determine what is medically necessary are not allowed to be more restrictive than those that are used by DMAS.

Any decision to deny a service authorization request or to approve it for an amount that is less than requested is called an adverse benefit determination (decision). These decisions will be made by a qualified health care professional. If we decide that the requested service is not medically necessary, the decision will be made by a medical or behavioral health professional, who may be a doctor or other health care professional who typically provides the care you requested. You can request the specific medical standards, called clinical review criteria, used to make the decision for actions related to medical necessity.

After we get your request, we will review it under a standard or expedited (fast) review process. You or your doctor can ask for an expedited review if you
believe that a delay will cause serious harm to your health. If your request for an expedited review is denied, we will tell you and your case will be handled under the standard review process.

**Timeframes for Service Authorization Review**

In all cases, we will review your request as quickly as your medical condition requires us to do so but no later than mentioned below.

<table>
<thead>
<tr>

There may be an instance where your medication requires a service authorization, and your prescribing physician cannot readily provide authorization information to us, for example over the weekend or on a
Pharmacy Services | Service Authorization Review Timeframes
---|---
holiday. If your pharmacist believes that your health would be compromised without the benefit of the drug, we may authorize a 72-hour emergency supply of the prescribed medication. This process provides you with a short-term supply of the medications you need and gives time for your physician to submit an authorization request for the prescribed medication.

If we need more information to make either a standard or expedited decision about your service request we will:

- Write and tell you and your provider what information is needed. If your request is in an expedited review, we will call you or your provider right away and send a written notice later.
- Tell you why the delay is in your best interest.
- Make a decision no later than 14 days from the day we asked for more information.

You, your provider, or someone you trust may also ask us to take more time to make a decision. This may be because you have more information to give [Plan] to help decide your case. This can be done by calling [plan enters phone number(s) and address].

You or someone you trust can file a complaint with [Plan] if you don’t agree with our decision to take more time to review your request. You or someone you trust can also file a complaint about the way [Plan] handled your service authorization request to the State through the Managed Care Helpline at 1-800-643-2273. Also see Your Right to File a Complaint, in Section 12 of this handbook.

**Benefit Determination**

We will notify you with our decision by the date our time for review has expired. But if for some reason you do not hear from us by that date, it is the same as if we denied your service authorization request. If you disagree with our decision, you
have the right to file an appeal with us. Also see Your Right to Appeal, in Section 12 in this handbook.

We will tell you and your provider in writing if your request is denied. A denial includes when the request is approved for an amount that is less than the amount requested. We will also tell you the reason for the decision and the contact name, address, and telephone number of the person responsible for making the adverse determination. We will explain what options for appeals you have if you do not agree with our decision. Also see Your Right to Appeal, in Section 12 of this Handbook.

**Continuation of Care**

In most cases, if we make a benefit determination to reduce, suspend, or end a service we have already approved and that you are now getting, we must tell you at least 10 days before we make any changes to the service.

**Post Payment Review**

If we are checking on care or services that you received in the past, we perform a provider post payment review. If we deny payment to a provider for a service, we will send a notice to you and your provider the day the payment is denied. You will not have to pay for any care you received that was covered by [Plan] even if we later deny payment to the provider.
12. Appeals, State Fair Hearings, and Complaints (Grievances)

Your Right to Appeal

You have the right to appeal any adverse benefit determination (decision) by [Plan] that you disagree with that relates to coverage or payment of services.

For example, you can appeal if [Plan] denies:

- A request for a health care service, supply, item or drug that you think you should be able to get, or
- A request for payment of a health care service, supply, item, or drug that [Plan] denied.

You can also appeal if [Plan] stops providing or paying for all or a part of a service or drug you receive through that you think you still need.

Authorized Representative

You may wish to authorize someone you trust to appeal on your behalf. This person is known as your authorized representative. You must inform [Plan] of the name of your authorized representative. You can do this by calling our Member Services Department at one of the phone numbers below. We will provide you with a form that you can fill out and sign stating who your representative will be.

Adverse Benefit Determination

There are some treatments and services that you need to get approval for before you receive them or in order to be able to continue receiving them. Asking for approval of a treatment or service is called a service authorization request. This process is described earlier in this handbook. Any decision we make to deny a service authorization request or to approve it for an amount that is less than requested is called an adverse benefit determination. Refer to Service
Authorization and Benefit Determinations in Section 11 of this handbook.

How to Submit Your Appeal

If you are not satisfied with a decision we made about your service authorization request, you have 60 calendar days after hearing from us to file an appeal. You can do this yourself or ask someone you trust to file the appeal for you. You can call Member Services at one of the numbers below if you need help filing an appeal or if you need assistance in another language or require an alternate format. We will not treat you unfairly because you file an appeal.

You can file your appeal by phone or in writing. You can send the appeal as a standard appeal or an expedited (fast) appeal request.

You or your doctor can ask to have your appeal reviewed under the expedited process if you believe your health condition or your need for the service requires an expedited review. Your doctor will have to explain how a delay will cause harm to your physical or behavioral health. If your request for an expedited appeal is denied we will tell you and your appeal will be reviewed under the standard process.

Send your Appeal request to: [plan address, FAX, phone]. If you send your standard appeal by phone, it must be followed up in writing. Expedited process appeals submitted by phone do not require you to submit a written request.

Continuation of Benefits

In some cases you may be able to continue receiving services that were denied by us while you wait for your appeal to be decided. You may be able to continue the
services that are scheduled to end or be reduced if you ask for an appeal:

- Within ten days from being told that your request is denied or care is changing; or
- By the date the change in services is scheduled to occur.

If your appeal results in another denial you may have to pay for the cost of any continued benefits that you received if the services were provided solely because of the requirements described in this Section.

**What Happens After We Get Your Appeal**

Within [plan provides timeframe for acknowledging appeal] days, we will send you a letter to let you know we have received and are working on your appeal.

Appeals of clinical matters will be decided by qualified health care professionals who did not make the first decision and who have appropriate clinical expertise in treatment of your condition or disease.

Before and during the appeal, you or your authorized representative can see your case file, including medical records and any other documents and records being used to make a decision on your case. This information is available at no cost to you.

You can also provide information that you want to be used in making the appeal decision in person or in writing. [Plan provides where the Member can call or send information].

You can also call Member Services at one of the numbers below if you are not sure what information to give us.

**Timeframes for Appeals**

**Standard Appeals**

If we have all the information we need we will tell you our decision within 30 days.
of when we receive your appeal request. We will tell you within 2 calendar days after receiving your appeal if we need more information. A written notice of our decision will be sent within [Plan enters timeframe] calendar days from when we make the decision.

**Expedited Appeals**

If we have all the information we need, expedited appeal decisions will be made within 72 hours of receipt of your appeal and we will send a written notice and attempt to provide oral notice within this timeframe. If there is a need for additional documentation or if a delay in rendering a decision is in your interest the timeframe for an expedited appeal decision, the timeframe may be increased up to an additional 14 days.

**If We Need More Information**

If we can’t make the decision within the needed timeframes because we need more information we will:

- Write you and tell you what information is needed. If your request is in an expedited review, we will call you right away and send a written notice later;
- Tell you why the delay is in your best interest; and
- Make a decision no later than 14 additional days from the timeframes described above.

You, your provider, or someone you trust may also ask us to take more time to make a decision. This may be because you have more information to give [Plan] to help decide your case. This can be done by calling or writing to: [plan enters appropriate contact information and any additional instructions].

You or someone you trust can file a complaint with [Plan] if you do not agree with our decision to take more time to review your appeal. You or someone you
trust can also file a complaint about the way [Plan] handled your appeal to the State through the Help Line at 1-800-643-2273.

Written Notice of Appeal Decision

We do not tell you our decision about your appeal on time, you have the right to appeal to the State through the State Fair Hearing process. An untimely response by us is considered a valid reason for you to appeal further through the State Fair Hearing process.

We will tell you and your provider in writing if your request is denied or approved in an amount less than requested. We will also tell you the reason for the decision and the contact name, address, and telephone number of the person responsible for making the adverse determination. We will explain your right to appeal through the State Fair Hearing Process if you do not agree with our decision.

Your Right to a State Fair Hearing

If you disagree with our decision on your appeal request, you can appeal directly to DMAS. This process is known as a State Fair Hearing. You may also submit a request for a State Fair Hearing if we deny payment for covered services or if we do not respond to an appeal request for services within the times described in this handbook. The State requires that you first exhaust (complete) [Plan] appeals process before you can file an appeal request through the State Fair Hearing process. If we do not respond to your appeal request timely DMAS will count this as an exhausted appeal.

Standard or Expedited Review Requests

For, appeals that will be heard by DMAS you will have an answer generally within 90 days from the date you filed your appeal with [Plan]. The 90 day timeframe does not include the number of days between our decision
on your appeal and the date you sent your State fair hearing request to DMAS. If you want your State Fair Hearing to be handled quickly, you must write “EXPEDITED REQUEST” on your appeal request. You must also ask your doctor to send a letter to DMAS that explains why you need an expedited appeal. DMAS will tell you if you qualify for an expedited appeal within 72 hours of receiving the letter from your doctor.

**Authorized Representative**

You can give someone like your PCP, provider, or friend or family Member written permission to help you with your State Fair Hearing request. This person is known as your authorized representative.

**Where to Send the State Fair Hearing Request**

There are a few ways to ask for an appeal with DMAS. Your deadline to ask for an appeal with DMAS is 120 calendar days from when we issue our final MCO internal appeal decision.

1. **Electronically.** Online at www.dmas.virginia.gov/#/appealsresources or email to appeals@dmas.virginia.gov
2. **By fax.** Fax your appeal request to DMAS at (804) 452-5454
3. **By mail or in person.** Send or bring your appeal request to Appeals Division, Department of Medical Assistance Services, 600 E. Broad Street, Richmond, VA 23219
4. **By phone.** Call DMAS at (804) 371-8488 (TTY: 1-800-828-1120)

To help you, an appeal request form is available from DMAS at www.dmas.virginia.gov/#/appealsresources. You can also write your own letter. Include a full copy of our final denial letter when you file your appeal with DMAS. Also include any documents you would like DMAS to review during your appeal. All information submitted during the initial request and during the DMAS appeal process will be considered to determine if the individual meets the criteria for approval of the requested eligibility/service(s).

**After You File Your State Fair Hearing Appeal**

DMAS will notify you of the date, time, and location of the scheduled hearing. Most hearings can be done by telephone.
State Fair Hearing Timeframes

Expedited Appeal

If you qualify for an expedited appeal, DMAS will give you an answer to your appeal within 72 hours of receiving the letter from your doctor. If DMAS decides right away that you win your appeal, they will send you their decision within 72 hours of receiving the letter from your doctor. If DMAS does not decide right away, you will have an opportunity to participate in a hearing to present your position. Hearings for expedited decisions are usually held within one or two days of DMAS receiving the letter from your doctor. DMAS still has to give you an answer within 72 hours of receiving your doctor’s letter.

Standard Appeal

If your request is not an expedited appeal, or if DMAS decides that you do not qualify for an expedited appeal, DMAS will give you an answer within 90 days from the date you filed your appeal with [Plan]. The 90 day timeframe does not include the number of days between our decision on your appeal and the date you sent your State fair hearing request to DMAS. You will have an opportunity to participate in a hearing to present your position before a decision is made.

Continuation of Benefits

In some cases you may be able to continue receiving services that were denied by us while you wait for your State Fair Hearing appeal to be decided. You may be able to continue the services that are scheduled to end or be reduced if you ask for an appeal:

- Within ten days from being told that your request is denied or care is changing;
➢ By the date the change in services is scheduled to occur.

Your services will continue until you withdraw the appeal, the original authorization period for your service ends, or the State Fair Hearing Officer issues a decision that is not in your favor. **You may, however, have to repay [Plan] for any services you receive during the continued coverage period if [Plan’s] adverse benefit determination is upheld and the services were provided solely because of the requirements described in this Section.**

**If the State Fair Hearing Reverses the Denial**

**If services were not continued while the State Fair Hearing was pending**

If the State Fair Hearing decision is to reverse the denial, [Plan] must authorize or provide the services under appeal as quickly as your condition requires and no later than 72 hours from the date [Plan] receives notice from the State reversing the denial.

**If services were provided while the State Fair Hearing was pending**

If the State Fair hearing decision is to reverse the denial and services were provided while the appeal is pending, [Plan] must pay for those services, in accordance with State policy and regulations.

**If You Disagree with the State Fair Hearing Decision**

The State Fair Hearing decision is the final administrative decision rendered by the Department of Medical Assistance Services. If you disagree with the Hearing Officer’s decision you may appeal it to your local circuit court.

**Your Right to File a Complaint**

[Plan] will try its best to deal with your concerns as quickly as possible to

<Plan> Member Services (800) XXX-XXXX> or TTY/TDD 711; <insert time>
your satisfaction. Depending on what type of concern you have, it will be handled as a complaint or as an appeal.

**What Kinds of Problems Should be Complaints**

The complaint process is used for concerns related to quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the [Plan’s] complaint process.

**Complaints about quality**

- You are unhappy with the quality of care, such as the care you got in the hospital.

**Complaints about privacy**

- You think that someone did not respect your right to privacy or shared information about you that is confidential or private.

**Complaints about poor customer service**

- A health care provider or staff was rude or disrespectful to you.
- [Plan] staff treated you poorly.
- [Plan] is not responding to your questions.
- You are not happy with the assistance you are getting from your Care Coordinator.

**Complaints about accessibility**

- You cannot physically access the health care services and facilities in a doctor or provider’s office.
- You were not provided requested reasonable accommodations that you needed in order to participate meaningfully in your care.

**Complaints about communication access**

<Plan> Member Services (800) XXX-XXXX> or TTY/TDD 711; <insert time>
➢ Your doctor or provider does not provide you with a qualified interpreter for the deaf or hard of hearing or an interpreter for another language during your appointment.

** Complaints about waiting times  
➢ You are having trouble getting an appointment, or waiting too long to get it.  
➢ You have been kept waiting too long by doctors, pharmacists, or other health professionals or by Member Services or other [Plan] staff.

** Complaints about cleanliness 
➢ You think the clinic, hospital or doctor’s office is not clean.

** Complaints about communications from us 
➢ You think we failed to give you a notice or letter that you should have received.  
➢ You think the written information we sent you is too difficult to understand.  
➢ You asked for help in understanding information and did not receive it.

** There Are Different Types of Complaints  
You can make an internal complaint and/or an external complaint. An internal complaint is filed with and reviewed by [Plan]. An external complaint is filed with and reviewed by an organization that is not affiliated with [Plan].

** Internal Complaints  
To make an internal complaint, call Member Services at the number below.

*Plan* Member Services (800) XXX-XXXX or TTY/TDD 711; <insert time>
You can also write your complaint and send it to us. If you put your complaint in writing, we will respond to your complaint in writing. You can file a complaint in writing, by mailing or faxing it to us at [Plan Name, FAX, address, etc.]

So that we can best help you, include details on who or what the complaint is about and any information about your complaint. [Plan] will review your complaint and request any additional information. You can call Member Services at the number below if you need help filing a complaint or if you need assistance in another language or format.

We will notify you of the outcome of your complaint within a reasonable time, but no later than 30 calendar days after we receive your complaint.

If your complaint is related to your request for an expedited appeal, we will respond within 24 hours after the receipt of the complaint.

**External Complaints**

**You Can File a Complaint with the Managed Care Helpline**

You can make a complaint about [plan] to the Managed Care Helpline at 1-800-643-2273 (TTY: 1-800-817-6608) Monday – Friday, 8:30 a.m. – 6:00 p.m.

**You Can File a Complaint with the Office for Civil Rights**

You can make a complaint to the Department of Health and Human Services’ Office for Civil Rights if you think you have not been treated fairly. For example, you can make a complaint about disability access or language assistance. You can also visit http://www.hhs.gov/ocr for more information.

Office of Civil Rights- Region III
Department of Health and Human Services
13. Member Rights

Your Rights

It is the policy of [Plan] to treat you with respect. We also care about keeping a high level of confidentiality with respect for your dignity and privacy. As a Member you have certain rights. You have the right to:

- Receive timely access to care and services;
- Take part in decisions about your health care, including your right to choose your providers from [Plan] network providers and your right to refuse treatment;
- Choose to receive long term services and supports in your home or community or in a nursing facility;
- Confidentiality and privacy about your medical records and when you get treatment;
- Receive information and to discuss available treatment options and alternatives presented in a manner and language you understand;
- Get information in a language you understand - you can get oral translation services free of charge;
- Receive reasonable accommodations to ensure you can effectively access and communicate with providers, including auxiliary aids, interpreters, flexible scheduling, and physically accessible buildings and services;
- Receive information necessary for you to give informed consent before the start of treatment;
- Be treated with respect and dignity;
- Get a copy of your medical records and ask that the records be
amended or corrected;

- Be free from restraint or seclusion unless ordered by a physician when there is an imminent risk of bodily harm to you or others or when there is a specific medical necessity. Seclusion and restraint will never be used as a means of coercion, discipline, retaliation, or convenience;

- Get care without regard to disability, gender, race, health status, color, age, national origin, sexual orientation, marital status or religion;

- Be informed of where, when and how to obtain the services you need from [Plan], including how you can receive benefits from out-of-network providers if the services are not available in [Plan name’s] network.

- Complain about [Plan] to the State. You can call the Helpline at 1-800-643-2273 to make a complaint about us.

- Appoint someone to speak for you about your care and treatment and to represent you in an Appeal;

- Make advance directives and plans about your care in the instance that you are not able to make your own health care decisions. See Section 14 of this handbook for information about Advance Directives.

- Change your health plan once a year for any reason during open enrollment or change your MCO after open enrollment for an approved reason. Reference Section 2 of this handbook or call the Managed Care Helpline at 1-800-643-2273 (TTY: 1-800-817-6608) or visit the website at virginiamanagedcare.com for more information.

- Appeal any adverse benefit determination (decision) by [Plan]
that you disagree with that relates to coverage or payment of services. See Your Right to Appeal in this Section 15 of the handbook.

- File a complaint about any concerns you have with our customer service, the services you have received, or the care and treatment you have received from one of our network providers. See Your Right to File a Complaint in Section 15 of this handbook.

- To receive information from us about our plan, your covered services, providers in our network, and about your rights and responsibilities.

- To make recommendations regarding our member rights and responsibility policy, for example by joining our Member Advisory Committee (as described later in this Section of the handbook.)

**Your Right to be Safe**

Everyone has the right to live a safe life in the home or setting of their choice. Each year, many older adults and younger adults who are disabled are victims of mistreatment by family members, by caregivers and by others responsible for their well-being. If you, or someone you know, is being abused, physically, is being neglected, or is being taken advantage of financially by a family member or someone else, you should call your local department of social services or the Virginia Department of Social Services' 24-hour, toll-free hotline at: 1-888 832-3858. You can make this call anonymously; you do not have to provide your name. The call is free. They can also provide a trained local worker who can assist you and help you get the types of services you need to assure that you are safe.

**Your Right to Confidentiality**

[Plan] will only release information if it is specifically permitted by state and
federal law or if it is required for use by programs that review medical records to monitor quality of care or to combat fraud or abuse.

[Plan] staff will ask questions to confirm your identity before we discuss or provide any information regarding your health information.

Plan inserts information on confidentiality consistent with confidentiality requirements, including special rules related to substance use disorder and addiction, recovery, and treatment services.

Your Right to Privacy

Plan inserts information on privacy practices as set forth in 45 CFR parts 160 and 164 subparts A and E, applies, request and receive a copy of his or her medical records, and request that they be amended or corrected, as specified in 45 CFR 164.524 and 164.526.

How to Join the Member Advisory Committee

[Plan] would like you to help us improve our health plan. We invite you to join our Member Advisory Committee. On the committee, you can let us know how we can better serve you. Going to these meetings will give you and your caregiver or family Member the chance to help plan meetings and meet other Members in the community. These educational meetings are held once every three months. If you would like to attend or would like more information, please contact [Plan] Member Services using one of the numbers below.

We Follow Non-Discrimination Policies

You cannot be treated differently because of your race, color, national origin, disability, age, religion, gender, marital status, pregnancy, childbirth, sexual orientation, or medical conditions.
If you think that you have not been treated fairly for any of these reasons, call the Department of Health and Human Services, Office for Civil Rights at 1-800-368-1019. TTY users should call 1-800-537-7697. You can also visit http://www.hhs.gov/ocr for more information.

[Plan] complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
14. Member Responsibilities

Your Responsibilities

As a Member, you also have some responsibilities. These include:

- Present your [Plan] Membership card whenever you seek medical care.
- Provide complete and accurate information to the best of your ability on your health and medical history.
- Participate in your care team meetings, develop an understanding of your health condition, and provide input in developing mutually agreed upon treatment goals to the best of your ability.
  - Keep your appointments. If you must cancel, call as soon as you can.
- Receive all of your covered services from [Plan’s] network.
- Obtain authorization from [Plan] prior to receiving services that require a service authorization review (see Section 14).
- Call [Plan] whenever you have a question regarding your Membership or if you need assistance toll-free at one of the numbers below.
- Tell [Plan] when you plan to be out of town so we can help you arrange your services.
- Use the emergency room only for real emergencies.
- Call your PCP when you need medical care, even if it is after hours.
- Tell [Plan] when you believe there is a need to change your plan of care.
- Tell us if you have problems with any health care staff. Call [Plan] Member Services (800) XXX-XXXX or TTY/TDD 711; <insert time>
Member Services at one of the numbers below.

➢ Call Member Services at one of the phone numbers below about any of the following:

  o If you have any changes to your name, your address, or your phone number. Report these also to your case worker at your local Department of Social Services.

  o If you have any changes in any other health insurance coverage, such as from your employer, your spouse’s employer, or workers’ compensation.

  o If you have any liability claims, such as claims from an automobile accident.

  o If you are admitted to a nursing facility or hospital.

  o If you get care in an out-of-area or out-of-network hospital or emergency room.

  o If your caregiver or anyone responsible for you changes.

  o If you are part of a clinical research study.

Advance Directives

You have the right to say what you want to happen if you are unable to make health care decisions for yourself. There may be a time when you are unable to make health care decisions for yourself. Before that happens to you, you can:

➢ Fill out a written form to give someone the right to make health care decisions for you if you become unable to make decisions for yourself.

➢ Give your doctors written instructions about how you want them to handle your health care if you become unable to make
decisions for yourself.
The legal document that you can use to give your directions is called an advance directive. An advance directive goes into effect only if you are unable to make health care decisions for yourself. Any person age 18 or over can complete an advance directive. There are different types of advance directives and different names for them. Examples are a living will, a durable power of attorney for health care, and advance care directive for health care decisions.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

**Where to Get the Advance Directives Form**

You can also get the form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicaid [plans should insert examples of those organizations] may also have advance directive forms. [Insert if applicable: You can also contact Member Services to ask for the forms.]

**Completing the Advance Directives Form**

Fill it out and sign the form. The form is a legal document. You may want to consider having a lawyer help you prepare it. There may be free legal resources available to assist you.

**Share the Information with People You Want to Know About It**

Give copies to people who need to know about it. You should give a copy
of the Living Will, Advance Care Directive, or Power of Attorney form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Be sure to keep a copy at home.

If you are going to be hospitalized and you have signed an advance directive, take a copy of it to the hospital. The hospital will ask you whether you have signed an advance directive form and whether you have it with you. If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

**We Can Help You Get or Understand Advance Directives Documents**

Your Care Coordinator can help you understand or get these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can’t speak for yourself. Remember, it is your choice to fill out an advance directive or not. You can revoke or change your advance care directive or power of attorney if your wishes about your health care decisions or authorized representative change.

**Other Resources**

You may also find information about advance directives in Virginia at: [http://www.virginiaadvancedirectives.org](http://www.virginiaadvancedirectives.org)

You can store your advance directive at the Virginia Department of Health Advance Healthcare Directive Registry: [https://connectvirginia.org/adr/](https://connectvirginia.org/adr/).

**If Your Advance Directives Are Not Followed**

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with
the following organizations.

For complaints about doctors and other providers, contact the Enforcement Division at the Virginia Department of Health Professions:

| CALL          | Virginia Department of Health Professions:  
|               | Toll-Free Phone: 1-800-533-1560  
|               | Local Phone: 804-367-4691         |
| WRITE         | Virginia Department of Health Professions  
|               | Enforcement Division  
|               | 9960 Mayland Drive, Suite 300  
|               | Henrico, Virginia 23233-1463       |
| FAX           | 804-527-4424                      |
| EMAIL         | enfcomplaints@dhp.virginia.gov     |
| WEBSITE       | http://www.dhp.virginia.gov/Enforcement/complaints.htm |

For complaints about nursing facilities, inpatient and outpatient hospitals, abortion facilities, home care organizations, hospice programs, dialysis facilities, clinical laboratories, and health plans (also known as managed care organizations), contact the Office of Licensure and Certification at the Virginia Department of Health:

| CALL          | Toll-Free Phone: 1-800-955-1819  
|               | Local Phone: 804-367-2106         |
| WRITE         | Virginia Department of Health  
|               | Office of Licensure and Certification  
|               | 9960 Mayland Drive, Suite 401  
|               | Henrico, Virginia 23233-1463       |
| FAX           | 804-527-4503                      |
| EMAIL         | OLC-Complaints@vdh.virginia.gov    |
| WEBSITE       | http://www.vdh.state.va.us/olc/complaint/ |
15. Fraud, Waste, and Abuse

Plan includes relevant information and instructions including but not limited to the subsections below.

What is Fraud, Waste, and Abuse

Fraud is an intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to him/herself or some other person. It includes any act that constitutes fraud under applicable Federal or State law.

Waste includes overutilization, underutilization, or misuse of resources. Waste typically is not an intentional act, but does result in spending that should not have occurred. As a result, waste should be reported so that improper payments can be identified and corrected.

Abuse includes practices that are inconsistent with sound fiscal, business, or medical practice, and result in unnecessary cost to the Medicaid program, payment for services that are not medically necessary, or fail to meet professionally recognized health care standards.

Common types of health care fraud, waste, and abuse include:

- Medical identity theft
- Billing for unnecessary items or services
- Billing for items or services not provided
- Billing a code for a more expensive service or procedure than was performed (known as up-coding)
- Charging for services separately that are generally grouped into one rate (Unbundling)
- Items or services not covered
- When one doctor receives a form of payment in return for referring
a patient to another doctor. These payments are called “kickbacks.”

How Do I Report Fraud, Waste, or Abuse

Plan Instructions

If you would prefer to refer your fraud, waste, or abuse concerns directly to the State, you can report to the contacts listed below.

Department of Medical Assistance Services Fraud Hotline
- Recipient Fraud: 1-800-371-0824 or (804) 786-1066
- Provider Fraud: 1-800-371-0824 or (804) 786-2071

Virginia Medicaid Fraud Control Unit (Office of the Attorney General)
- Email: MFCU_mail@oag.state.va.us
- Fax: 804-786-3509
- Mail: Office of the Attorney General
  Medicaid Fraud Control Unit
  202 North Ninth Street
  Richmond, VA 23219

Virginia Office of the State Inspector General

Fraud, Waste, and Abuse Hotline
- Phone: 1-800-723-1615
- Fax: 804-371-0165
- Email: covhotline@osig.virginia.gov
- Mail: State FWA Hotline
  101 N. 14th Street
  The James Monroe Building 7th Floor
  Richmond, VA 23219
16. Other Important Resources

[Plan may insert this Section to provide additional information resources, such as maternal and child resource centers, choice counselors, Helpline or area agencies on maternal and child health.]
17. Key Words and Definitions Used in this Handbook

- Adverse benefit determination: Any decision to deny a service authorization request or to approve it for an amount that is less than requested.

- Appeal: A way for you to challenge an adverse benefit determination (such as a denial or reduction of benefits) made by [Plan] if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal.

- Activities of daily living: The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

- Balance billing: A situation when a provider (such as a doctor or hospital) bills a person more than [Plan]’s cost-sharing amount for services. We do not allow providers to “balance bill” you. Call Member Services if you get any bills that you do not understand.

- Brand name drug: A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are made and sold by other drug companies.

- Care Coordinator: One main person from [Plan] who works with you and with your care providers to make sure you get the care you need.

- Care coordination: A person-centered individualized process that assists you in gaining access to needed services. The Care Coordinator will work with you, your family Members, if appropriate, your providers and anyone else involved in your care to help you get the services and supports that you need.

- Care plan: A plan for what health and support services you will get and how you will get them.

- Care team: A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your
care team will also help you make a care plan.

- **Helpline:** an Enrollment Broker that DMAS contracts with to perform choice counseling and enrollment activities.

- **Centers for Medicare & Medicaid Services (CMS):** The federal agency in charge of Medicare and Medicaid programs.

- **Complaint:** A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance.”

- **Coverage decision:** A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services.

- **Covered drugs:** The term we use to mean all of the prescription drugs covered by [Plan].

- **Covered services:** The general term we use to mean all of the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services covered by [Plan].

- **Durable medical equipment:** Certain items your doctor orders for you to use at home. Examples are walkers, wheelchairs, or hospital beds.

- **Emergency medical condition:** An emergency means your life could be threatened or you could be hurt permanently (disabled) if you don’t get care quickly. If you are pregnant, it could mean harm to the health of you or your unborn baby.

- **Emergency medical transportation:** Your condition is such that you are unable to go to the hospital by any other means but by calling 911 for an ambulance.
• Emergency room care: A hospital room staffed and equipped for the treatment of people that require immediate medical care and/or services.

• Excluded services: Services that are not covered under the Medicaid benefit.

• Fair hearing: See State Fair Hearing. The process where you appeal to the State on a decision made by us that you believe is wrong.

• Fee-for-service: The general term used to describe Medicaid services covered by the Department of Medical Assistance Services (DMAS).

• Generic drug: A prescription drug that is approved by the federal government to use in place of a brand name drug. A generic drug has the same ingredients as a brand name drug. It is usually cheaper and works just as well as the brand name drug.

• Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care.

• Habilitation services and devices: Services and devices that help you keep, learn, or improve skills and functioning for daily living.

• Health insurance: Type of insurance coverage that pays for health, medical and surgical expenses incurred by you.

• Health plan: An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has Care Coordinators to help you manage all your providers and services. They all work together to provide the care you need.

• Health risk assessment: A review of a patient’s medical history and current condition. It is used to figure out the patient’s health and how it might change in the future.

• Home health aide: A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (like
bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

- Home health care: Health care services a person receives in the home including nursing care, home health aide services and other services.
- Hospitalization: The act of placing a person in a hospital as a patient.
- Hospital outpatient care: Care or treatment that does not require an overnight stay in a hospital.
- List of Covered Drugs (Drug List): A list of prescription drugs covered by [Plan]. [Plan] chooses the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a “formulary.”
- Long-term services and supports (LTSS): A variety of services and supports that help elderly individuals and individuals with disabilities meet their daily needs for assistance, improve the quality of their lives, and maintain maximum independence. Examples include assistance with bathing, dressing, toileting, eating, and other basic activities of daily life and self-care, as well as support for everyday tasks such as laundry, shopping, and transportation. LTSS are provided over a long period of time, usually in homes and communities, but also in facility-based settings such as nursing facilities. Most of these services help you stay in your home so you don’t have to go to a nursing facility or hospital.
- Medically Necessary: This describes the needed services to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice or as necessary under current Virginia Medicaid coverage rules.
- Medicaid (or Medical Assistance): A program run by the federal and the
state government that helps people with limited incomes and resources pay for long-term services and supports and medical costs. It covers extra services and drugs not covered by Medicare. Most health care costs are covered if you qualify for both Medicare and Medicaid.

- **Member Services:** A department within [Plan] responsible for answering your questions about your Membership, benefits, grievances, and appeals.

- **Model of care:** A way of providing high-quality care. The model of care includes care coordination and a team of qualified providers working together with you to improve your health and quality of life.

- **Network:** “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that provide your health care services, medical equipment, and long-term services and supports. They are licensed or certified by Medicaid and by the state to provide health care services. We call them “network providers” when they agree to work with the [Plan] and accept our payment and not charge our Members an extra amount. While you are a Member of [Plan], you must use network providers to get covered services. Network providers are also called “plan providers.”

- **Network pharmacy:** A pharmacy (drug store) that has agreed to fill prescriptions for [Plan] Members. We call them “network pharmacies” because they have agreed to work with [Plan]. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

- **Non-participating provider:** A provider or facility that is not employed, owned, or operated by [Plan] and is not under contract to provide covered services to Members of [Plan].

- **Nursing facility:** A medical care facility that provides care for people who
cannot get their care at home but who do not need to be in the hospital. Specific criteria must be met to live in a nursing facility.

- Out-of-network provider or Out-of-network facility: A provider or facility that is not employed, owned, or operated by [Plan] and is not under contract to provide covered services to Members of [Plan].

- Participating provider: Providers, hospitals, home health agencies, clinics, and other places that provide your health care services, medical equipment, and long-term services and supports that are contracted with [Plan]. Participating providers are also “in-network providers” or “plan providers.”

- Physician services: Care provided to you by an individual licensed under state law to practice medicine, surgery, or behavioral health.

- Health Plan: An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has Care Coordinators to help you manage all your providers and services. They all work together to provide the care you need.

- Prescription drug coverage: Prescription drugs or medications covered (paid) by your [Plan]. Some over-the-counter medications are covered.

- Prescription drugs: A drug or medication that, by law, can be obtained only by means of a physician’s prescription.

- Primary Care Physician (PCP): Your primary care physician is the doctor who takes care of all of your health needs. They are responsible to provide, arrange, and coordinate all aspects of your health care. Often they are the first person you should contact if you need health care. Your PCP is typically a family practitioner, internist, or pediatrician. Having a PCP helps make sure the right medical care is available when you need it.

- Prosthetics and Orthotics: These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and
devices needed to replace an internal body part or function.

- **Provider:** A person who is authorized to provide your health care or services. Many kinds of providers participate with [Plan], including doctors, nurses, behavioral health providers and specialists.

- **Referral:** In most cases you PCP must give you approval before you can use other providers in [Plan]’s network. This is called a referral.

- **Rehabilitation services and devices:** Treatment you get to help you recover from an illness, accident, injury, or major operation.

- **Service area:** A geographic area where a [Plan] is allowed to operate. It is also generally the area where you can get routine (non-emergency) services.

- **Service authorization:** Approval needed before you can get certain services or drugs. Some network medical services are covered only if your doctor or other network provider gets an authorization from [Plan].

- **Specialist:** A doctor who provides health care for a specific disease, disability, or part of the body.

- **Urgently needed care:** Care you get for a non-life threatening sudden illness, injury, or condition that is not an emergency but needs care right away. You can get urgently needed care from out-of-network providers when network providers are unavailable or you cannot get to them.
[Plans may add a back cover for the Member Handbook that contains contact information for Member Services. Below is an example plans may use. Plans also may add a logo and/or photographs, as long as these elements do not make it difficult for Members to find and read the contact information.]
