A. Please allow a minimum of ten (10) business days from the date the check was disbursed before contacting the claims center. If you are using EFT, please allow twenty-four (24) hours for the monies to post to your account.

Q. Why were my trips denied?
A. Trips can be denied for various reasons (invalid driver, no pick up time, no signatures, no drop off time, no per trip billed amount, non-compliant vehicles/drivers, etc). Denial reasons will be listed on the Transportation Provider Detail Report.

Q. What does it mean if ModivCare shows my trip was assigned to another provider?
A. The job number that you submitted is in ModivCare’s system; however, it is assigned to another Transportation Provider. If you performed the trip,

Please refer to your Transportation Agreement regarding mileage. Mileage is calculated as the shortest distance in street or road miles from the pick-up point to the destination. If you believe there to be a mileage error, you must bring it to ModivCare’s attention before running the trip. ModivCare will review the trip or trips in question and may reference other software to verify the distance. Any correction remains the sole decision of ModivCare.
