

## Opioid Treatment Programs (OTPs) Providers by Managed Care Region

Last Updated October 26, 2022| 43 sites

Opioid Treatment Programs, also called OTPs, are a type of outpatient addiction treatment designed for people with opioid use disorder (OUD). OTPs are certified by the United States Substance Abuse and Mental Health Services Administration (SAMHSA) and engage in supervised assessment and treatment of members. This list includes federally and state Medicaid enrolled OTPs along with their contact information.
