

MEDICAID DURABLE MEDICAL EQUIPMENT (DME) AND SUPPLIES LISTING

The following listing, based upon the Healthcare Common Procedure Coding System (HCPCS), describes equipment and supplies, coverage limitations, and pre-authorization requirements. The DME Listing HCPCS codes must be used for all Medicaid claims, regardless of whether Medicare uses the same HCPCS code for the item. Pre-authorization by Medicaid is not required when Medicare is the primary payer. Reimbursement for Medicare crossover claims will be made in accordance with established Medicare HCPCS codes and guidelines.

When extended utilization or unusual amounts or types of equipment or supplies are required, the provider must request pre-authorization from KePRO, the Department of Medical Assistance Services' (DMAS) pre-authorization contractor. Instructions regarding preauthorization may also be found in Appendix D of this Provider Manual. Items not identified in the listing require pre-authorization and may be submitted to preauthorization under the appropriate miscellaneous HCPCS code. Lack of a specific HCPCS code for the item does not determine coverage. The appropriate miscellaneous code may be used and submitted for preauthorization.

Providers must maintain documentation in accordance with the coverage criteria, documentation requirements, and Certificate of Medical Necessity (CMN) requirements as defined in Chapter IV and VI of this Provider Manual, regardless of whether or not pre-authorization is required.

The key below identifies the codes used in the DME Listing.

- N = Pre-authorization is not required up to the established limit
- Y = Pre-authorization is required
- P = Purchase
- RR = *Rental
- IC = Individual Consideration
- UCC = Usual and Customary Charge

*Medicaid reimbursement for rental items is a daily rate. DMAS will not provide rental reimbursement for days on which the recipient did not use the item. Please reference rental versus purchase guidelines in Chapter IV of this Provider Manual for additional requirements.

Wheelchair documentation: Medicaid will not pay for assistive devices, such as wheelchairs and potty chairs for restraint purposes. Documentation must describe mobility impairments, postural impairments, and how the wheelchair is required, and will be used, within the recipient's home environment. Documentation must indicate how needs were met previously, what changed in the recipient's condition to require a wheelchair, and other cost effective alternatives explored. See Chapter IV of the DME and Supplies Manual for additional documentation requirements.
